ARRIVED—"Dr. Lester," direct from London, England, Trance Medium, seventh son, born with a double veil and wonderful gift of second sight; has the power of any two mediums you ever met. This he is prepared to prove. Tells your entire life, past, present and future, in a dead trance; every hidden mystery revealed; tells the full name of his callers and of your future husband or wife, with age and date of marriage, and tells whether the one you love is true or false; tells all your business affairs with utmost truth; gives advice on divorce, contested wills, speculation, etc.; tells whether stocks will rise or fall; tells your life from the cradle to the grave. A genuine spirit medium; positively no imposition; reveals everything; removes troubles, evil influence; settles lovers' quarrels; brings separated together; causes speedy, happy marriages by proper advice; advice to gentlemen in business and to young men what best adapted for speedy riches. This medium has made this city his future home, and will do his very best to give universal satisfaction, both in relating your destiny and in working the different charms. If disappointed by the efforts of others, judge not all alike, as Dr. Lester can convince the most skeptical. Just is a well-known fact throughout the world, since the days of ancient witchery, that only a seventh son, born with veil, can reveal the future correctly and work charms to a successful end. All who are in trouble and who have been humbugged by other mediums are requested to call without delay and be convinced that Dr. Lester is the greatest wonder of the age. Fee, $1, and upwards. Parlors, 147 East Seventh street, opposite Ryan block. Office hours, 9 a. m. to 8 p. m. Letters answered. Cut this out and call early. 225-254
