BUSINESS CHANCES.

BUY SEPTEMBER CORN—Our free corn booklet is the most complete and comprehensive booklet of the kind ever issued; it explains our methods, tells all about the wonderful opportunities offered by the present situation of the corn market, and in fact, tells you everything you will want to know before investing; the present condition of the corn market offers a magnificent opportunity for investment; because of the recent money scare in Wall street which had a depressing effect on all grain markets, September corn sold for less than it is actually worth; those who take advantage of the remarkable opportunity thus presented will, we predict, realize handsome profits, in a short time; reliable information received from different parts of the corn belt show that the growing crop is not progressing as satisfactorily as expected and that a short crop is certain; such conditions undoubtedly mean higher prices; you can ill afford to miss this golden opportunity; if you are seeking an investment not requiring large capital that offers magnificent opportunities for large profits, and that does not require constant attention on your part to attend to it, send for our booklet; we are corn specialists devoting our entire attention to the handling of corn investments; for that reason we are better fitted to handle corn investments than any other commission house in the country; no matter where you live, nor how inexperienced you may be, you can deal as easily through us as though you were an experienced operator and here in person to attend to your investments; on our plan every two cent advance in the price of corn doubles your money; you will never have a better opportunity to quickly realize handsome profits on a corn investment; don't miss it. WE DESIRE to interest conservative investors in an entirely new, strictly legitimate and success-assured business proposition that will, inside of two years, pay 100 to 200 per cent dividends and from very start prove to be an enormously profitable investment. Among other special inducements to early subscribers of blocks of stock of 1,000 shares and upwards, and as further evidence of good faith, the company will pay not less than 12 per cent dividends at expiration of nine months or guarantee to take up any stock one year after date of issue at purchase price and pay 20 per cent interest on amount invested. The non-assessible stock of this half-million dollar corporation now selling fifty cents per share, par value one dollar, is being hurriedly bought up; thirty days hence there will be little, if any, to be had at any price. Our reputation for associating only with high-class, profitable and honorably conducted enterprises is sufficient. No mining, board of trade, racing or oil stocks. References exchanged. Particulars interview or mail. Bouthien & Cleveland, 1005 Unity bldg., Chicago.
