Bulletins for Farmers.

The Missouri Agricultural college, (Columbia, Mo.) has recently published two bulletins of considerable importance to farmers. One of them entitled, "Suggestions for Missouri Corn Growers" contains much valuable information concerning the planting and cultivation of our principal crop. The other, "The Farmers' Creamery in Missouri: When and how to build" is of far reaching importance to those communities in which dairying is a leading industry. Both bulletins are free for the asking.

Don't ruin your eyes with cheap glasses bought from peddlers or from the so called mail order houses. You can't get a perfect fit unless you have your eyes examined by a regular optician. See Dr. Lichtig.

Save 1/2 Your Paint Bills

by using **Weir's Bavarian White Lead**, the most durable and therefore the most economical lead or paint made. It has zinc in it. The zinc gives the paint a beautiful gloss and prevents the lead from destroying the **linseed oil which is the life of all paint.** "Pure Lead" by itself will eat and destroy the linseed oil, thus causing the paint to become porous or open and dust off. **Weir's Bavarian White Lead** is better and cheaper than mixed paints because one-half of every gallon of mixed paint is linseed oil for which you pay $1.50 per gallon and get an old, stale, unsound linseed oil. Buy fresh oil from your dealer's barrel at its true value. 4½ gallons linseed oil and 100 pounds of **Weir's Lead** will make 6½ gallons best paint ready to use, that will cost you no more than other standard brands of lead and much less than mixed paint and will last twice as long as either. Write D. T. Weir White Lead Co., St. Louis, Mo., for their booklet "Facts About White Lead." Weir's Bavarian White Lead is for sale by

The Twine Plant.

The twine plant at the penitentiary which is manufacturing binder twine for sale to the farmers, has now 250,000 pounds stored in the prison warehouses, and of this 130,000 have been contracted for. Ten thousand pounds has been sold outright at 8 3-4 cents per pound. The largest shipment so far is two car loads to Lawrence county.—Jefferson City Tribune.

Dr. Hudson, the well known physician says: Dr. Lichtig prescribed a pair of lenses for my eyes, and I am very much pleased with them. I recommend Dr. Lichtig to all needing work in his line.

The ice cream season is now here and for the best ice cream sodas go to J. K. Barley's.

We this week printed the docket for the May term of the Montgomery county circuit court which meets Monday, May 1st. Judge Barnett will assume his duties here for the first time. Among the cases to be tried are the usual number of divorce cases and tax suits, but only one murder charge, which promises to be a hard fought case. C. R. Ball represents the state in the case of the state of Missouri vs. Ab and Bud Corder, while Drunert, Rixey, E. P. Rosenberger and Johnson represent the defendent.
