VICTOR HUGO—LES MISERABLES.

CARLETON'S COPYRIGHT EDITION. THE DEMAND UNABATED For THIS MAGNIFICENT NOVEL.

As an indication of the extraordinary interest existing for this marvelous book, it is sufficient to state that more than 12,000 volumes were purchased at the recent Trade Sales in New-York City.

The London Daily News says:

"Les Miserables is one of those rare works which have a strong personal interest in addition to their intrinsic importance.

"It is not merely the work of a truly great man, but it is his great and favorite work—the fruit of years and labor.

"Victor Hugo is almost the only French imaginative writer of the present century who is entitled to be considered as a man of genius. He has wonderful poetic power, and he has the faculty, which hardly any other French novelist possesses, of drawing beautiful as well as striking pictures.

"Another feature for which Victor Hugo's book deserves high praise is its perfect purity. *Any one who reads the Bible and Shakespeare may read Les Miserables.*

"The story is admirable, and is put together with unsurpassable art, care, life, and simplicity."

THE NOVEL LES MISERABLES

is divided into five separate parts or volumes, as follows:

PART I.—FANTINE. PART II.—COSETTE.
PART III.—MARIUS. PART IV.—ST. DENIS.
PART V.—VALJEAN.

THE NEW AMERICAN CYCLOPÆDIA.

PUBLISHERS' NOTICE.

The 16th and concluding volume of the NEW AMERICAN CYCLOPÆDIA being now at press and shortly to be published, it is proper to state that after the publication and delivery to subscribers of that volume the price will be advanced 50 cents per volume to all future subscribers. This increased price is rendered necessary by reason of the advance of paper and materials in the manufacture of the work, as also by the very great expense of the literary labor, much exceeding the estimate made when we first issued our terms to subscribers, five years since. We have faithfully kept to our engagements, giving to the subscribers more than we promised, and we trust those who fail to procure the work during its progress will not regard the increased price as unreasonable.

THE PRESENT PRICE OF THE CYCLOPÆDIA,

IN THE VARIOUS STYLES OF BINDING:

In Extra Cloth, per vol.	$3 00
In Library Leather, per vol.	3 50
In Half Turkey Morocco, black, per vol.	4 00
In Half Russia, extra gilt, per vol.	4 50
In Full Morocco, antique, gilt edges, per vol.	5 50
