AN INTENSELY INTERESTING BOOK.—

AMONG THE PINES;
Or,
DOWN SOUTH IN SECESSION TIME.

By EDMUND KIRKE.

One of the most graphic and truth-telling volumes which has ever been written of the South and Southern Society.

AMONG THE PINES.

One handsome duodecimo volume, over 300 pages, cloth bound, price $1; or Paper Covers, price 75 cents.

The North American Quarterly, in a twelve-page review of this wonderful work, says: "The book is not a novel: yet it possesses the attraction of a highly wrought and powerful work of fiction. It has an intense and terrible interest in some parts of its story, and the scenes, incidents, and characters are portrayed with uncommon graphic and dramatic power. Yet the work is not only not a regular novel, but we are assured that there is absolutely nothing fictitious in it, save in the alteration of a few names and dates. * * * A very remarkable book."

AMONG THE PINES.

To meet the large and increasing demand for this work, THE TRIBUNE has assumed its publication, and will sell it on the following terms:

Single copies, in cloth, $1; in paper covers, 75 cents.
(Single copies sent by mail, post-paid, on receipt of price.)
Twenty-five copies, paper covers.....50c. each.

RUSSELL'S AMERICAN DIARY.
Now Ready:
MY DIARY NORTH AND SOUTH.
By WILLIAM HOWARD RUSSELL, LL.D.
One volume, 12mo., cloth. Price, $1 25.

"This is not, as many suppose, a republication from The Times of his Letters on America, but an entirely new work, made up of heretofore unpublished matter from the author's Diary. It is one of the best and most valuable books on this country—and this is saying but little in its praise—ever written by an Englishman. It gives a pretty true picture of Southern life and manners, and, therefore, sympathizers with Secession in Old and New-England will not be particularly pleased with that part of the work which treats of Dixie. If we dislike much of Mr. Russell's matter, we cannot but admire his manner—his strong, bold, free style—his graphic, brilliant, animated descriptions of persons, scenes and scenery, and if his book contains not a little caricature and misrepresentation, it likewise contains many fair and just descriptions of many things at the North."—[Boston Transcript.

OBSERVE THE NOTICES FROM THE LONDON PRESS:
From The Athenæum.
"Distinct as to materials, and in many places different as to tone from his Letters, Mr. Russell's 'Diary' is the best of the many Sketches of American Society published since the rupture of the Union. A hearty English manliness pervades it from first to last, and though its personalities will doubtless raise a storm of indignation above and below the Potomac, and bring upon the writer charges of betrayed confidence and abused hospitality, the time may come when Americans of all parties, writing the history of their great civil war, will use its statements as unimpeachable testimony."
From The Spectator
"We cannot part from Mr. Russell without a cordial recommendation of his 'Diary,' to which as a readable book our review of necessity does injustice. The volume is a perfect mine of anecdote, all characteristic all excellently told, and all pervaded by a spirit of tolerance and simplicity, which is of itself sufficient guaranty for their truth!"
From The Morning Post.
"An exceedingly readable book, and perhaps not less amusing because of the spice of egotism which appears in many of its pages. The author had unusual opportunities, and few could have used them to more advantage."

THE LIFE OF OUR LORD UPON EARTH, considered in its Historical, Chronological, and Geographical relations, by Rev. S. J. Andrews, in 1 vol., post 8vo. 650 pages. Price $2 25.
The object of this work is to give an outline of the events of Christ's earthly life, as narrated in the Gospels, and to consider such critical difficulties as the narratives present. All important Historical and Topographical questions are considered as they occur. The aim of the author has been to furnish the reader with the results of the best authorities on the subjects treated, and at the same time to pursue an independent investigation. While to clergymen and theological students the work will present much critical matter, drawn from many sources; reference has also been had to the wants of Sabbath-School teachers, and of intelligent English readers.
