There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials

About the State

Rev. William Millar has resigned as pastor of the Congregational church at Bristol and expects to go to North Troy.

Rev. I. E. Usher, pastor of the Baptist church at Bristol, has received a call to the Baptist church in Rupert, Idaho.

In the Civil war, Vermont had 282 Smiths, 173 Browns, 84 Thompsons, 78 Robinsons, 75 Taylors, 66 Reeds, 57 Richardsons, and 48 Thomases.

Miss Kathlaine McGuire, who was so seriously injured while working in the People's steam laundry at Newport, suffered the loss of her left arm, it befound necessary to amputate it at the shoulder.

Alden L. Bailey of St. Johnsbury 30 years ago had the pleasure of introducing Messrs. Ivers and Pond, of the firm bearing that name, to each other. Mr. Bailey bought the first piano made by the firm and now has on exhibit at his store the 50,000th made by the same concern. He also has on exhibition the first piano ever brought to St. Johnsbury, by Thaddeus Fairbanks. It is over 100 years old and has six legs.

Fred Colby's house and barn and Mrs. M. J. Gilfillan's barn in McIndoe were burned Saturday night. Nearly all the furniture was removed from the house, but the fire had gained such headway in the barn when discovered that it was impossible to get anything out. A horse, four cows, two hogs and a flock of hens were among the things in the barn. The fire engine from Barnet was called to help protect the surrounding buildings. The cause of the fire is unknown.

F. G. Fletcher's shoe store in Burlington, was closed Monday on three city court writs which amount in all to over $1,000. The writs are in favor of htree manufacturing concerns and are for stock furnished. The writs are as follows: Williams, Clark & Co., $385.59; Congress Shoe & Rubber Co., $205; Parker, Holmes & Co., $85. All concerns are located in Boston. They are represented here by George W. Marks, of the firm of Powell & Marks. It is understood that these are the three largest creditors and that there are a number of others. Mr. Fletcher, it is understood, offered to settle for 60 per cent. of his indebtedness, to be paid at the rate of 5 per cent. every two months, but this was not considered satisfactory and the store was closed in order to bring the matter to a head. It is possible that a receiver may be asked for shortly.

W. C. T. U. Space.

This space belongs to the Woman's Christian Temperance union and they are responsible for what is in it.

John B. Lennon, treasurer of the American Federation of Labor, in a recent speech declared that "the saloon keeps more people out of work all the time than prohibition would throw out of work a few days until they got other positions."

Prohibition is not a failure in North Carolina if the statement of Chief Justice Clark of the state supreme court is to be given credence. Crime has been reduced fifty per cent.; murder in the first degree has declined thirty-two per cent. in two years; burglary, twenty per cent.; attacks with deadly weapons, thirty per cent.; larceny, forty per cent.; manslaughter, thirty-five per cent; murder in second degree, twenty-five to fifty-five per cent; and there has been a falling off of fifteen per cent. in violation of the anti-liquor laws.

Here is an argument that ought to appeal to the business men of the community. It is from the pen of former Governor Larrabee of Iowa: "I used to think years ago that so long as I left the saloons alone, they would leave me alone. But I was engaged in business for twenty years, during which I permitted several thousand dollars' worth of accounts to accumulate on my books. When I sold out and attempted to collect these, I found they were worthless, and that nine-tenths of my debtors would not have been so had it not been that they had been spending their money for strong drink while I was keeping their families in provisions. It was therefore apparent that, as a matter of fact, I had been the greatest patron of the saloons in our community. I had really contributed more to the saloon keeper than any other person in town. All of us, no matter how temperate we are, will some day find that we are directly concerned in the saloon traffic."

TO SAVINGS BANK DEPOSITORS.

The Lamoille County Savings Bank & Trust company of Hyde Park, Vermont, will receive your deposits on the most favorable terms consistent with safe and conservative banking.

Among the many reasons why you may properly give this bank the preference in choosing a place for deposit of your savings, it suggests the following:

FIRST.—The bank is a Vermont institution. Aside from its deposits in reserve cities, it has never loaned a dollar upon notes which were not either secured upon Vermont property or had a strong Vermont guarantor.

SECOND.—In its more than twenty-two years of existence it has been so painstaking, conservative and careful in the investment of funds placed within its keeping by a confiding public that it has never lost a single dollar by a bad note.

THIRD.—It pays four per cent. interest, compounds semi-annually without action on the part of the depositor, and pays all taxes on deposits, whatever the amount of the deposit may be.

FOURTH.—Its managers are men known to the people of the state as ultra conservative in matters of investments—men who never speculate on Wall street or own speculative stocks of any kind.

FIFTH.—Absolute safety and not those high rates of interest which can be secured by taking chances, has ever been the guiding principle of this bank. It never owned a note upon which it received more than six per cent. interest.

SIXTH.—It has now passed the two-million-dollar mark in assets, a fact which speaks louder than words of the faith and confidence felt by the people of Vermont in this strictly home savings bank. No other savings bank located in a small village like Hyde Park approaches the Hyde Park Savings bank in growth, a fact which cannot be explained upon any other theory than that of absolute confidence in the painstaking watchfulness and sound judgment of the men who direct and govern in the investment of the funds entrusted to its keeping by a discriminating public.
