Extract from Medical Times, Dec. 15, 1866. "Dr. J. Collis Browne's Chlorodyne. We understand Messrs. Freeman, Hanbury, Sons, and Co. are the sole wholesale agents for this valuable medicine, which we have found to be a most powerful and efficacious remedy in Diarrhœa, Cholera, and Dysentery. We have invariably found it to allay the most violent pain when all other remedies have failed. We consider this the most valuable preparation of the Chloric Ether, and we feel sure that the medical profession will be glad to hear that the Chloric Ether, which has been so long and so sadly abused, is now to be had in a form in which it may be administered with perfect confidence."
CAUTION.—Beware of Poisonous Imitations. Sole Manufacturer—J. T. DAVENPORT, 33, Great Russell Street, Bloomsbury, London. Sold by all Druggists.
