Dr. Talmage calls upon all Christians, regardless of denomination, and those belonging to no church at all, to aid him in re-building his church in Brooklyn. The insurance on the burned building was $129,000. He wants $100,000 additional, which he says will be necessary to accommodate the people who desire to worship with him.

In the Kemmler case in New York State a county Judge has pronounced in favor of the constitutionality of the law providing for the execution of condemned murderers by electricity. It is also the opinion of the court that this form of punishment presents no elements of cruelty or inhumanity such as are contemplated in the constitutional prohibition of cruel or unusual methods of taking life. The case will probably be taken to the Court of Appeals, and it may be several months yet before the authorities can legally shock Kemmler to death.

From the Charlotte Chronicle we learn that the burglaries committed in that city last spring have been unearthed. The stealing was done by negroes from the country, and the goods hid in cabins and cotton patches. A clue was gotten by the identification of a badge brought to the city and offered for sale. A considerable portion of the goods has been recovered, and one of the burglars identified, and doubtless the whole gang will be brought to justice at no distant day; at least we most sincerely hope so.

HEREAFTER

We will run two delivery wagons. The necessity for this has been caused by our largely increasing trade, making it impossible to deliver with one wagon. There have been complaints (and justly, too) by some of our customers at not having goods delivered more promptly. With our additional facilities for delivery we hope to increase our already large trade, and promise to meet all competition. Our stock, as heretofore, will be kept up to the highest standard in quality. All goods sold by us guaranteed to be as represented, both in weights and quality.

FINEST FARM IN NORTH CAROLINA FOR SALE!

The Lowndes Place,
In Transylvania County.

One of the finest and best located farms in Western N. C., 5 miles from the thriving town of Brevard, the county seat of this Transylvania county. The buildings are all in good repair, consisting of a large two story dwelling house, with 13 rooms, carriage house, ice house, and in fact, all necessary outbuildings; storage room for 250 tons of hay and stabling for 100 head of cattle. A very substantial and convenient mule stable, with accommodation for 10 mules.

This farm contains 830 acres, of which 300 acres are bottom, lying on the French Broad river, and is a very high state of cultivation. 110 acres of this is well set in meadow—not top or herds grass. Of the remaining 530 acres, 100 acres are in upland pasture, finely set with a mixture of grasses. Plenty of handsome oaks for shade in pasture land. Bright running streams of pure water in every field. The remainder is in woodland, with all the different varieties of timber—locust, chestnut, oak, poplar, etc. Convenient to good schools, churches and postoffice. Railroad. Fifteen miles from Hendersonville and 25 miles from Asheville, and on or very near the line of the contemplated Atlanta, Asheville and Baltimore railroad.

No such farm for its size can be found in this State or any other State, for value, beauty and desirability every way.

For price and particulars apply to or address
