BACKACHE IS A WARNING.

Albuquerque People Should Not Neglect Their Kidneys.

Backache is often accompanied by most painful symptoms of wrecked kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 40 years. Read Albuquerque testimony.

J. M. Vickery, plumber, 1004 N. Eleventh st., Albuquerque, says: "I gladly testify to recommend Doan's Kidney Pills for backache and kidney trouble. In my case they brought immediate relief from backache. I know of another case where Doan's Kidney Pills brought positive relief from backache, due to weak kidneys."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Vickery had. Foster-Milburn Co., Props., Buffalo, N. Y.
