IMPORTANT AIDS TO TEACHERS, INFUSING LIFE AND JOY INTO THE SCHOOL-ROOM.

MANUAL OF GYMNASTIC EXERCISES, FOR SCHOOLS AND FAMILIES.

BY SAMUEL W. MASON.

Master of the Eliot School, Boston,
Illustrated with thirty-two Engravings.
12mo. Price 25 cents.

Physical exercises in schools, such as are described and illustrated in the "Manual" of Mr. Mason, will be found a wonderful auxiliary in securing the highest mental development, maintaining good order, and turning the labor—and sometimes the drill routine of the school-room—into unalloyed pleasure, and rendering instruction a merry pastime as it always should be. If a recitation languishes by reason of becoming weary, lifeless, or uneasy, let them perform one of the "Exercises" found in the "Manual." The blood will begin to leap through their veins; inattention and dullness give place to the bright eye and active brain; joy reigns, and in a moment the pupil is prepared to enter upon the recitation with renewed vigor.

THEORY AND ART OF PENMANSHIP;
A MANUAL FOR TEACHERS.
Containing a full Statement of
Payson, Dunton and Scribner's celebrated method of teaching; including Class Drill, Writing in Concert, Criticism and Correction of Errors; Hints toward Awakening Interest, &c., &c. Together with a Complete Analysis and Synthesis of Script Letters, as developed in the series of Writing Books.
Illustrated with Engravings.
12mo. Price 50 cents.

An eminent teacher in one of our large cities says: "In waking up an interest, my hopes are more than realized. My pupils now welcome the hour for writing, and it is no longer a weary exercise. I can most heartily recommend the system and series of books."

AN INTENSELY INTERESTING BOOK.—

AMONG THE PINES;
Or,
DOWN SOUTH IN SECESSION TIME.

By Edmund Kirke.

One of the most graphic and truth-telling volumes which has ever been written of the South and Southern Society.

AMONG THE PINES.

One handsome duodecimo volume, over 300 pages, cloth bound, price $1; or Paper Covers, price 75 cents.

The North American Quarterly, in a twelve-page review of this wonderful work, says: "The book is not a novel; yet it possesses the attraction of a highly wrought and powerful work of fiction. It has an intense and terrible interest in some parts of its story, and the scenes, incidents, and characters are portrayed with uncommon graphic and dramatic power. Yet the work is not only not a regular novel, but we are assured that there is absolutely nothing fictitious in it, save in the alteration of a few names and dates. * * * A very remarkable book."

AMONG THE PINES.

To meet the large and increasing demand for this work, THE TRIBUNE has assumed its publication, and will sell it on the following terms:

Single copies, in cloth, $1; in paper covers, 75 cents.
(Single copies sent by mail, post-paid, on receipt of price.)
Twenty-five copies, paper covers.....50c. each.
One hundred copies, paper covers.....40c. each.
Cash must accompany the order.

PATENT WOODEN-SOLE
BOOTS, SHOES AND BROGANS.

The cheapest and most durable Waterproof Boots, Shoes and Brogans ever manufactured for Farmers, Miners, Gardeners, or persons working in damp situations.

Farmers after wearing them will find them almost indispensable for plowing, ditching and stable work.

They are perfectly impervious to water, and are made with all the comforts of home-made goods. As wood is a good non-conductor these boots and shoes are superior to those made entirely of leather for keeping the feet warm. They are cheaper for the consumer, as one pair will wear as long as two of the ordinary leather-soled. The sole is as flexible as to walk with perfect ease.

Foundery men, Miners, Bleachers and Dyers will find them the best and cheapest boots and shoes ever manufactured for their business.

Fine Boots and Shoes are made in style unequaled, and in wet weather no person should be without them.
