TWO BOOKS FOR THE TIMES.

Messrs. TICKNOR & FIELDS
Have Now Ready:

MEDITATIONS
ON
DEATH AND ETERNITY.
Translated from the German of Zschokke.
By FREDERICA ROWAN.
1 vol. 16mo.....Price $1 25.

The circumstances under which this volume has been produced are very peculiar and interesting. It was a favorite book with Prince Albert, and he was constantly in the habit of having the "Meditations" read to him. After his death the Queen found much comfort in their perusal, and employed Miss Rowan to translate them for private circulation in her own immediate family. The volume is now reprinted in America, where so many afflicted hearts are in deep and overwhelming sorrow, and need consolation.

Also Now Ready:

TWO FRIENDS.
By the author of "The Patience of Hope," and "Present Heaven."
1 vol., 16 mo.....$1.

Miss DORA GREENWELL, the author of this new volume, has achieved a reputation in England and America, as one of the most thoughtful and suggestive writers of our day. Her works are conceived in the spirit of a meditative philosophy, and illuminated by the light of true Christian feeling. The numerous editions of her works testify to the excellence of her productions.

These works will be sent, postpaid, on receipt of price.

THRILLING REVELATIONS!

ARBITRARY ARRESTS IN THE SOUTH;
OR,
SCENES FROM THE EXPERIENCE OF AN ALABAMA UNIONIST.
By R. S. THARIN, A. M.,
A native of Charleston, S. C., for 30 years a resident of the Cotton States, a former Law-partner of Wm. L. Yancey, and commonly known in the West as the "Alabama Refugee."

This remarkable and thrilling book gives such an inside view of events in the South as we have not heretofore had. It depicts the sufferings, the trials, the persecutions, the dangers, the escapes, of a Southern Unionist, in vivid and stirring language; and while it possesses the fascinating interest of a romance, the character and social position of the author are warrants of its fidelity. Published in one volume, 12mo., cloth. Price $1.

New Publications.

AN INTENSELY INTERESTING BOOK.—

AMONG THE PINES;
Or,
DOWN SOUTH IN SECESSION TIME.

BY EDMUND KIRKE.

One of the most graphic and truth-telling volumes which has ever been written of the South and Southern Society.

AMONG THE PINES.

One handsome duodecimo volume, over 300 pages, cloth bound, price $1; or Paper Covers, price 75 cents.

The North American Review, in a twelve-page review of this wonderful work, says: "The book is not a novel: yet it possesses the attraction of a highly wrought and powerful work of fiction. It has an intense and terrible interest in some parts of its story, and the scenes, incidents, and characters are portrayed with uncommon graphic and dramatic power. Yet the work is not only not a regular novel, but we are assured that there is absolutely nothing fictitious in it, save in the alteration of a few names and dates. * * * A very remarkable book."

AMONG THE PINES.

To meet the large and increasing demand for this work THE TRIBUNE has assumed its publication, and will sell it on the following terms:

Single copies, in cloth, $1; in paper covers, 75 cents.
