AN INTENSELY INTERESTING BOOK.—
AMONG THE PINES;
Or,
DOWN SOUTH IN SECESSION TIME.
BY EDMUND KIRKE.
One of the most graphic and truth-telling volumes which has ever been written of the South and Southern Society.
AMONG THE PINES.
One handsome duodecimo volume, over 300 pages, cloth bound, price $1; or Paper Covers, price 75 cents.
The North American Review, in a twelve-page review of this wonderful work, says: "The book is not a novel; yet it possesses the attraction of a highly wrought and powerful work of fiction. It has an intense and terrible interest in some parts of its story, and the scenes, incidents, and characters are portrayed with uncommon graphic and dramatic power. Yet the work is not only not a regular novel, but we are assured that there is absolutely nothing fictitious in it save in the alteration of a few names and dates. * * * A very remarkable book."
AMONG THE PINES.
To meet the large and increasing demand for this work THE TRIBUNE has assumed its publication, and will sell it on the following terms:
