OFFICE OF THE TOLEDO AND WABASH RAILWAY CO., No. 132 BROADWAY, NEW-YORK, Jan. 13, 1863.

TO the HOLDERS of the BONDS of the TOLEDO and ILLINOIS, and LAKE ERIE, WABASH and ST. LOUIS RAILROAD COMPANIES, commonly known as the FIRST-MORTGAGE BONDS of the TOLEDO and WABASH RAILWAY CO.—Notice is hereby given that the Toledo and Wabash Railway Co. will extend until August 1, 1863, the payment of the principal of so many of the above-named Bonds as shall be presented at this office between the 1st day of February and the 1st day of May next, for the purpose of having the agreement for the extension indorsed thereon, and the half-yearly coupons for interest attached. By order of the Board of Directors,

AGENCY of THE NATIONAL (FIVE-TWENTY YEAR) LOAN.

OFFICE OF LIVERMORE, CLEWS & CO., No. 34 Wall-st., New-York.

We take this means of answering the numerous inquiries made of us respecting the U. S. Five-Twenty Loan for which we act as agents.

Said Bonds bear six per cent interest, payable semi-annually in gold, on the first of May and the first of November. Have Twenty years to run, but being redeemable at the pleasure of the Government after five years, are designated Five-Twenties.

Are issued both in Coupon and Registered Bonds; the former in denominations of 50s, 100s, 500s, 1,000s: the latter in 50s, 100s, 500s, 1,000s, 5,000s, and 10,000s.

The Coupon Bonds have coupons attached for twenty years, and are payable and transferable to bearer.

The Registered are issued in the name of the purchaser (whose name and residence are recorded on the books of the Treasury Department at Washington), and are only transferable by signature, or power of attorney, before an authorized Government official. The interest is collected in the same manner at the Sub-Treasury nearest the owner's residence.

Both Principal and Interest are payable in Gold, as provided by Act of Congress.

Are (in common with all Government Bonds) free from Taxation by city, town, county or State; and the income derived therefrom is subject only to one-half of the U. S. tax levied upon incomes derived from other sources.

The privilege of conversion at par will cease on the first of July, 1863.

These Bonds are supplied by us at par and accrued interest in currency—interest commencing to the purchaser upon deposit of the money. Hence, the first Coupon falling due, being stamped with the date of the issue of the Bond, will be fractional, instead of three per cent like the succeeding ones.

We shall shortly be prepared to deliver all the various denominations upon application.

The engravers and printers have been unable to furnish blank bonds to the extent required, but every effort is being made to meet the demand, and it is expected that with the increased force now employed upon them there will be less delay hereafter.

Orders by mail or otherwise, accompanied by draft on New-York or current funds, will be promptly responded to.

LIVERMORE, CLEWS & Co., Bankers.
