Stevenson, Ala., June 6, 1901.

Dr. E. W. Hall, St. Louis: Dear Sir—I have been a great sufferer from bladder trouble for two years and my case was of a very serious nature, compelling me to have several painful and dangerous operations. I have also taken many different remedies. I took Swamp Root for three years and Warner's Safe Cure two years and they only gave temporary relief. After having two operations and preparing for the third, I saw your Texas Wonder advertised and purchased a bottle. I got almost immediate relief and have continued to improve ever since. My doctors said my bladder had grown together in three places, and I was suffering almost death. No man living can say more than I can say for your Texas Wonder, and I call it a world's wonder, and I hope all who suffer will give it a trial. Wishing you success, I am

Yours truly,
W. C. DANIEL.

W. C. T. U. CONVENTION.

Most Interesting Session of State Convention in Jacksonville.

The superintendent of press work of the W. C. T. U. of this city, who attended the State convention in Jacksonville, furnishes the following interesting report of the closing days:

Wednesday Evening.

The medal contest was the best it has ever been our pleasure to attend. Everyone that appeared before the audience was classed a leader, but to little Miss Frieda Till was awarded the gold medal, and it can be said in justice to the other contestants that she won it on her own merit, and fairly.

Thursday Session.

A busy day at convention. New officers elected: President, Miss Minnie Neal; corresponding secretary, Miss Parker; recording secretary, Mrs. Dodge; treasurer, Mrs. Anthony. Closed with demonstration night.

Tuesday Morning.

After a delightful devotional service the closing business of the convention was continued.

A resolution was passed that the convention endorse the appeal of the East Florida Seminary for an appropriation from the State for a girls' industrial school in connection with East Florida Seminary.

The convention closed by all joining hands and singing "Blessed be the tie that binds," and we return home feeling that it was good to be there.

Opening of Continental.

The Continental Hotel at Atlantic Beach will open for the summer season of 1905 on Thursday, June 1st, under the direction of H. E. Bemis, who is manager of the Colonial at Nassau, N. P., during the winter tourist season; also manager of the Bedford Springs Hotel at Bedford Springs, Pa.

Prospects are good for the best season of any ocean resort on the Atlantic Coast, south of Atlantic City, and the train service from Jacksonville will be correspondingly increased to meet the demand.

Mr. Bemis may be addressed at No. 226 West Bay street, Jacksonville, Fla., until June 1st.

Attention, Odd Fellows.

Attention is called to the regular meeting of Center Lodge No. 11, I. O. O. F., which will be held Monday evening at the lodge room over Dutton's bank, beginning at 8 o'clock. There will be work. A full attendance is desired, and visiting brothers are cordially invited to attend.
