## New Publications.

PUBLISHED THIS DAY,
By C. SCRIBNER, No. 124 Grand-st., N. Y.,
THE TRIUMPHS OF THE BIBLE.
With the Testimony of Science to its Truth. By the Rev. HENRY TULLIDGE. 1 vol., 12mo. $1 50.
*"A work of Christian Evidences suited to the wants of the present time. The writer first undertakes to show that the triumphs of the Bible—the wonderful achievements it has wrought in the world—demonstrate it to be from God. In the following part two special objects are proposed. First, from a careful examination of the relations of Science and Scripture to show that there is no collision, but entire harmony as soon as the latter are properly understood. Second, to bring forward a new class of evidences which have been preserved for discovery until the present age as material for vindicating The Historic Reality of the Bible."*
Also, Just Ready:
THE NEW TESTAMENT.
With Brief Explanatory Notes (or Scholia) By Prof. HOWARD CROSBY, D. D. 1 vol., 12mo., pp. 540. Price, $1 50.
*This book is intended to meet the wants of the Bible reader, by giving in a brief and suggestive manner the difficulties of the English text. There is no commentary or discussion of doctrine, but simply an explanation of text and context. It gives the result of Biblical scholarship. Its brevity and point will commend it in these days of prolix commentaries.*
