"SECTION 13. And be it further enacted, That any person drafted and notified to appear as aforesaid, may, on or before the day fixed for his appearance, furnish an acceptable substitute to take his place in the draft, or he may pay to such person as the Secretary of War may authorize to receive it, such sum, not exceeding three hundred dollars, as the Secretary may determine, for the procuration of such substitute, which sum shall be fixed at a uniform rate by a General Order made at the time of ordering a draft for any State or Territory; and the express such person in furnishing the substitute, or paying the money, shall be discharged from further liability under that draft. And any person failing to report after due service of notice as herein prescribed, without furnishing a substitute, or paying the required sum therefor, shall be deemed a deserter, and shall be arrested by the Provost-Marshal, and sent to the nearest military post for trial by Court-Martial; unless, upon proper showing that he is not liable to be military duty, the Board of Enrollment shall remove him from the draft."

It is hereby announced that the amount to be paid, in accordance with the foregoing section of the Enrollment act, by any person who may be drafted, in order to secure exemption from service, has been fixed by the Secretary of War at three hundred dollars.

II. The Commissioner of Internal Revenue in each Congressional District has been authorized by the Secretary of War, and directed by the Secretary of the Treasury, to receive from drafted persons, who desire to pay it for the purpose of exemption, the money above specified. III. The Provost-Marshal shall make out, within the first Monday of every week, an abstract of persons to whom exemptions from military service shall have been granted by the Board during the week previous (Form 41). All receipts or certificates of deposit delivered to the Board by persons claiming exemption on account of having paid the required sum of money, shall accompany the abstract.
