FARMS, STORES, AND DWELLINGS FOR SALE IN THE CITY OF WASHINGTON.

Will be sold, on THURSDAY, July 30, 1863, on the premises, at public auction, by Commissioners appointed to divide the estate of the late Darius Clagett, the rich estate known as "Pomona," the late residence of the deceased, situated about 4½ miles north of Washington, immediately on 7th street, or Washington and Rockville Turnpike Road, and accessible by any of the public roads leading out of Washington north. It contains about 300 acres, which will be divided into three parts containing 100 acres, more or less.
Pomona is immediately adjoining the estates of the Hon. Francis P. Blair and the Hon. Montgomery Blair, and the estate of Capt. Carberry, and in the immediate neighborhood of the estates of G. W. Riggs, esq.; W. T. Carroll, esq.; Marshall Brown, esq., and other citizens of Washington, and at a convenient distance from several churches of different denominations.
The beauty of the surrounding country, the natural beauties of the above property, and the high state of cultivation under which it has been for several years, render it unusually attractive. There are upon the place several springs of pure water. These, together with the fine stream of Rock Creek, which runs through the place, give ample supplies of water at all seasons.
The improvements consist of a convenient dwelling, large barn, workshop, root-house, spring-house, ice-house, overseer's house, and outhouses for hands, all in good order. Particular attention has been bestowed on the selection of the ornamental trees about the dwelling, and in regard to their position for ornament. There are also every variety of fruit—apples, peaches, pears, apricots, currants, cherries, grapes, the celebrated Lawton blackberry (cultivated), and strawberries. The cultivated land is mostly set in clover and timothy. Great care has been bestowed upon the above property by placing a new fence of chestnut posts and rails around the whole boundary, fly well manuring, last Winter, of almost the entire surface, and the putting in of seasonable crops—the latter consisting of 40 acres in oats, 40 acres in corn, 200 bushels in potatoes, 2,000 cabbages, etc., together with a great variety of late vegetables, thus making an immediate occupation convenient and desirable.
Following the sale of the real estate will be a sale of the valuable
STOCK AND FARMING UTENSILS,

Medical.

MANHOOD and the VIGOR of YOUTH restored in FOUR WEEKS by Dr. RICORD'S ESSENCE of LIFE.—Dr. RICORD, of Paris, after years of earnest solicitations, has at length acceded to the urgent request of the American public, and appointed an AGENT in NEW-YORK for the sale of his valued and highly prized ESSENCE OF LIFE.
This wonderful agent will restore manhood to the most shattered constitution, whether arising from excesses, self-abuse, the effects of climate, or other natural causes. The time required to cure the most inveterate case is four weeks; and if used according to the printed instructions (which are very simple), failure is impossible.
This life-restoring remedy should be taken by all about to marry, as its effects are permanent. It is acknowledged by the medical press to be the greatest discovery ever made.
Success in every case is as certain as that science overthrows ignorance.
Dr. RICORD'S ESSENCE OF LIFE is sold in cases, with full instructions for use, at $3, of four quantities in one for $9; and will be sent to any part, carefully packed, on receipt of remittance, by his accredited agent, Philip Roland, No. 447 Broome-st., one door west from Broadway, New-York.

THE GREAT ENGLISH REMEDY FOR GOUT AND RHEUMATISM.
All sufferers from the above complaints, either of recent or long standing, are advised to use BLAIR'S GOUT AND RHEUMATIC PILLS. Her Majesty's Commissioners have authorized the name and address of "THOMAS PROUT, 229 Strand, London," to be impressed upon the Government stamp affixed to each box of the genuine medicine.
