REAL ESTATE SALES.

SPLENDID PROPERTY FOR SALE.

I WILL sell upon favorable terms, or exchange for city property, my Sixty Foot, embracing about twelve hundred acres of land, Tavern House, Store, Warehouse, Turnpike Road and Ferry across Caney Fork River.

There are about one hundred and twenty five acres of rich Caney Fork bottom Land, cleared and in cultivation. The balance is unusually well timbered, and a part of it very rich, and has upon it a quarry of very good Marble. The Caney Fork river is navigable to this point for some six months of the year, and the location is an excellent one for selling Salt, Iron, Dry Goods, &c. The Tavern stand is one of the best between Nashville and Knoxville. The turnpike and ferry are a continual source of income, and taken altogether, this is one of the most desirable pieces of property, for the price asked, in Tennessee.

Those wishing to buy or exchange would do well to call on me for truth. A. L. DAVIS,
dec18—tf. U. S. M. Pocket office.

SINGER'S SEWING MACHINES.

THESE celebrated machines are in practical and profitable use in all parts of the civilized world. In all the various trades, and in sewing every sort of fabric, either of cloth or leather, they have been fully tried and approved. Sewing machines of other manufacturers have failed to work. I SINGERS MACHINES ALWAYS OPERATE PERFECTLY, being strong, durable and complete in contrivance and workmanship. A perfect sewing machine kept employed affords a clear profit of $1,000 a year, but an imperfect one is a curse of constant vexation and loss. The entire reliability of our machines is one great reason for their unparalleled popularity.

MACHINES FOR FAMILY SEWING,

of a full and delicate construction, are recommended by other manufacturers. Such machines are made to catch the eye, not to perform substantial work. The truth is, family sewing machines ought to be much stronger than a shop machine, because they go into less skillful hands than when sold to manufacturers, and are used for a greater variety of work. The machines which have proved best for all other purposes must be best for family use, and they are Singer's. The model of our machines has lately been doubled. No other manufacturer can or does prepare with them to quantity of work.

☞ New machines of the latest improved style will be exchanged on liberal terms for old sewing machines of our own make, or for operative machines of other manufacturers. Local agents wanted to sell our machines. ☞ A pamphlet containing full information about sewing machines, can obtain it by applying for a copy of "I. M. Singer & Co.'s Gazette," a paper devoted to the subject. It will be sent gratis. I. M. SINGER & CO.

IMPORTANT TO EVERYBODY.

FOR the last three years I have been engaged in a business known only to myself, and, comparatively, few others, whom I have instructed for the sum of $200 each, which has averaged me at the rate of $2,000 to 3,000 per annum; and having made arrangements to go to Europe in the Fall of 1857 to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canadas, who will remit me the sum of $1 I am behind, for the secret. I have been favored beyond all, and the many thankful acknowledgements I have received from those whom I have instructed, and who are making from $5 to $15 PER DAY at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable, it is a small cost. There is positively No Humbug in this matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from $5 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several LADIES in various parts of New York State, Pennsylvania and Maryland, whom I have instructed, are now making from $3 to $6 per day by it. It is a GENTEEL business, and but a few shillings is required to start it. Upon the receipt of $1, I will immediately send to the applicant a printed circular containing full instructions in the art which can be perfectly understood at once.

All letters must be addressed (post paid) to

TRIESEMAR No 1, is the Remedy for RELAXTION, SPERMATORRHŒA, and all the distressing consequences arising from early abuse, indiscriminate excess, or too long residence in hot climates. It has invigorated and restored to perfect health, thousands of the delicate and those who are now in the enjoyment of all the functions of Manhood; and whatever may be the CAUSE, every DISQUALIFICATION for MARRIAGE is effectually subdued by this Wonderful Discovery!

TRIESEMAR, No. II; completely and entirely eradicates all traces of Gonorrhœa, both in its mild and aggravated forms, Gleets, Strictures, Irritation of the Bladder, Inflammation of the Urine, Pains of the Loins and Kidneys, and those disorders where Copaiva and Cubebs have so long been thought an antidote, to the ruin of the health of a vast portion of the population.

TRIESEMAR, No. III.—Is the great Continental Remedy for Syphilis and Secondary Symptoms. It also constitutes a certain cure for Pleurisy, Scrofula, and all impurities from the vital stream, so as altogether to eradicate the virus of disease, and is a never failing remedy for that class of disorders which unfortunately the English physician treats with Mercury, to the inevitable destruction of the patient's constitution, and which all the Sarsaparilla in the world cannot remove.

TRIESEMAR, No. 1, 2 and 3, are prepared in the form of a lozenge, devoid of taste or smell, and can be carried in the waistcoat pocket. Sold in tin cases, and divided into separate doses, as administered by Valpeau, Lallemand, Roux, Ricord, &c. &c. Special arrangements having been made with the various Expresses, the nine dollar cases of Triesemar, and the large or six dollar cases forwarded by Dr. Barrow, carriage paid, immediately on receiving a remittance, to any part of the world, securely packed and addressed according the instructions of the writer, thus securing to the public genuine European preparations, and effectually protecting them from spurious pernicious institutions. The three dollar cases sent as usual, but not free of carriage.

It describes in a clear and lucid manner the cause and effects of the diseases above enumerated, with instructions for their proper treatment and cure. Price 25 cents. Sent free to any address.
