The Committee hereby give notice that they have fixed their office at the Supreme Court Rooms, Nos. 71 and 73 Duane-st., up stairs, and that said office will be open daily at 8 o'clock, a. m., until the business for which the Committee was organized is disposed of.

The Committee also give notice that no application for the payment of Substitute or Relief money will be entertained until the District Board of Enrollment have examined and accepted the person drafted into the United States service, under the Act of Congress, approved March 3, 1863.

IV. In case any such indigent drafted person whose liability to serve has been determined by the action of the Board of Enrollment has a family depending upon him for support, who are in such condition as to render it, in the opinion of the Substitute and Relief Committee, a case of peculiar hardship for him to leave them, and he shall be unable to procure a substitute within the time required, he may report the fact to said Committee, and on their being satisfied in regard to it, and particularly, that he has used his best endeavors to obtain a Substitute, they will furnish him a certificate to be presented to the Comptroller, who will thereupon pay to the proper officer of the Government the sum necessary to obtain his exemption from the draft.

WAR DEPARTMENT, PROVOST-MARSHAL-GENERAL'S OFFICE, WASHINGTON, D. C., Sept. 10, 1863.

SIR: In reply to your communication of 7th inst., I am directed by the Provost-Marshal-General to say, you were authorized to receive commutation money from any person who may be drafted in the 9th Congressional District, New-York. You are therefore the only authorized Receiver for that district, and should announce the fact in order that all drafted persons within your district desiring to pay commutation money may call upon you and do so. Receivers are not required to go beyond their district to receive commutation money. Should any person desire to pay commutation money to a Receiver for another district than that in which he was drafted, the Receiver may accept the money, provided the person drafted cannot conveniently pay it to the Receiver for the district in which he was drafted. Very respectfully,

E. D. CHAPTIN,
Asst.-Adjt.-Gen., in charge Disbursing Branch.

JOSEPH HOXIE, Receiver Commutation Money, 9th District, New-York, New-York City.

ARMY MEDICAL BOARD, No. 452 Broome-st., New-York.

The Army Medical Board, convened for the purpose of examining candidates for appointment as SURGEONS and ASSISTANT-SURGEONS to colored troops, meet daily at No. 452 Broome-st. Candidates for examination are requested to present themselves between the hours of 9 a. m. and 3 p. m.

HEADQUARTERS OF PROVOST-MARSHAL, EIGHTH CONGRESSIONAL DISTRICT, No. 1,303 Broadway.

The Attention of Drafted Men is called to the following circular. The provisions of this circular will be rigidly enforced:

WAR DEPARTMENT, PROVOST-MARSHAL-GENERAL'S OFFICE, WASHINGTON, D. C., July 17, 1863.

"CIRCULAR No. 47.—1. Drafted men become soldiers in the service of the United States by the fact of their names having been drawn in the draft. The notification served upon them by the Provost-Marshal is merely an announcement of the fact, and an order for them to report for duty at a designated time and place.

"II. The following opinion of the Hon. William Whiting, Solicitor of the War Department, is published for the information of all concerned:

"'When a person has been drafted in pursuance of the Enrollment Act of March 3, 1863, notice of such draft must be served within ten days thereafter, by a written or printed notice thereof, to be served on him *personally, or by leaving a copy at his last place of residence*, requiring him to appear at a designated rendezvous to report for duty.

"'Any person failing to report for duty after notice left at his last place of residence, or served on him personally, without furnishing a substitute or paying $300, is presumed by law to be a deserter; he may be arrested and held for trial by Court-Martial, and SENTENCED TO DEATH.

"'If a person after being drafted, and before receiving notice, deserts, the notice may still be served by leaving it at his last place of residence, and if he does not appear in accordance with the notice, or furnish the substitute, or pay the $300, he will be in law a deserter, and must be treated accordingly.

"'There is no way or manner in which a person once "enrolled" can escape his public duties, and when drafted, whether *present* or *absent*, whether he changes his residence or absconds, the rights of the United States against him are secured, and it is only by performance of his duty to the country that he will escape liability to be treated as a criminal.

"'WILLIAM WHITING.'

"'Solicitor of the War Department.'"

"BENJ. F. MANIERRE, Provost-Marshal."
