BOERHAVE'S
HOLLAND BITTERS,

The Celebrated Holland Remedy
FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND AGUE,
And the various affections consequent upon a disordered
STOMACH OR LIVER,

SUCH AS Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Dyspepsia, Costiveness, Blind and Bleeding Piles. In all Nervous Rheumatic, and Neuralgic Affections, it has, in numerous instances, proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Prelate, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for the relief of our fatherland scattered here and there over the face of this mighty country. Meeting with a great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally tonic and anodyne in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, the weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION.

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhaave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these mixtures.

GROVER & BAKER'S
FAMILY SEWING MACHINES,

Promotes the leisure, health and happiness of home

OFFICES:
No. 714, Public Square, Nashville, Tenn.
No. 495, Broadway, New York.
No. 18 Summer Street, Boston.
No. 161, Chesnut Street, Philadelphia.

Reason why this Machine is Universally Preferred over All Others.

1 Because it is the only Sewing Machine in the world ever invented, so constructed as to fully meet the demands of families for general use.
2 It is very simple and is never liable to get out of order.
3 It makes a seam which will not rip, though every third stitch is cut.
4 It is not a Shuttle Machine.
5 It sews with two needles, making any length stitch desired.
6 It sews from two ordinary spools, and thus all trouble at winding thread is avoided; while the same Machine can be adapted at pleasure, by a mere change of spools, to all varieties of work.
7 The same Machine runs silk or linen thread, and common spool cotton, with equal facility.
8 This Machine will sew in the sleeves of a coat with the same ease and facility that it sews a straight seam.
9 This Machine can be run to make one thousand five hundred stitches per minute.
10 The seams are as elastic as the most elastic fabric, so that it is free from all liability to break in washing, ironing or otherwise.
11 The stitches made by this machine are more beautiful than any other made either by hand or machine.

The price of these Machines at office in New York, range from $75 to $150: an additional charge of $10 only is made on each machine over New York prices at office in Nashville, to defray expenses of importation, &c., to Nashville. R. H. BROCKWAY, Sec'y.,
