Dysentery, Bloody Flux, Diarrhœa, and all disorders of the Bowels.

THE Brafenberg Dysentery Syrup, is sovereign in all disorders of the Bowels. Nothing is more injurious than the use of opiates in such disorders. The Dysentery Syrup neutralizes the acridity and chemically alters the contents of the Bowels and very gradually checks the discharges. A thousand certificates of its efficacy could be got in Middle Tennessee alone, but we prefer to give but one, from the chairman of the Board of Health, New York.

NEW YORK, April 24th, 1848.

My position last year, as Chairman of the Sanitary Committee of this city, brought me constantly in contact with persons suffering from Cholera, Dysentery, &c. Facts coming under my own observation, with reference to the efficacy of your Dysentery Syrup in the diseases, have been confirmed by the testimony of my associates on the committee, and particularly by Alderman De Forest, of the First Ward. So strongly was I impressed with the value of your preparation, I caused it to be sent to the Quarantine, where the Cholera then existed, and it is not a little remarkable that but a single case was reported afterwards.

TIMOTHY R. HIERAD, M. D.,
Chairman Board of Health, N. Y.

The Children's Panacea is well known to be most efficacious in all disorders of children from one to ten years old. Why should two-thirds of all the children born die before they are five years old, if it were not that the Vermifuges and all other worthless medicines administered to them were not nostrums. Teething and other diseases of the second summer cause but little apprehension where the Panacea is used. The Dysentery Syrup and Children's Panacea are worth more than words can express.

COPPER DISTILLED S. N. PIKE'S CELEBRATED *Magnolia Whiskey*

COUNTERFEIT!

CAUTION TO PARTIES PURCHASING

S. N. PIKE'S

Magnolia Whisky,

CINCINNATI, OHIO.

THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY, would respectfully inform his customers and purchasers of this celebrated brand, that there has appeared in the Charleston and other Southern markets a counterfeit of the above Whiskey, being a noisonous imitation branded similar to his brand, it passes under the name of S. N. Dike's Magnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. Pike's. There is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would purchase the genuine brand. I make the statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfeit brand, and found that contains a deadly poison this fact alone impels me to caution the public, protect those who are liable to be received and prevent the evil results attending the use of this poisonous imitation. I also hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualitities of Rye and Corn, and is warranted free from any deleterious or noxious ingredients, it being a pure and healthy beverage.

Many parties have recently commenced making a brand of Whisky CALLED Magnolia, but they are an immitator of my trade brand, so be careful and ask for the only genuine Magnolia Whisky made in the United States, and distilled only by me. SAMUEL N. PIKE,

PITT'S PATENTED SMOKE EXPELLING HEAT RADIATOR.

SIMPLICITY, neatness, utility, comfort, economy and durability are combined in this improvement. A single plate of cast iron of peculiar form, so placed with its lower edge resting against the back of the fire place, and the upper resting on the inside of the arch, at an angle forming part of the back itself, without interfering with the flue. Apertures are so arranged in the grate as to create a draft sufficient to correct a smoky chimney, and the intermediate bars are so made that the heat that would otherwise escape by the chimney, is arrested and reflected or thrown back into the room. A alteration in the masonry of any ordinary fire-place or chimney is necessary. It can be put up in a few minutes by any person of common sense.

It has been fairly tried before competent witnesses, and proved successful.

The length of the back of the fire place and the breadth of the flue at the arch inside, regulate the price. The cost is but a trifle.

The Right of the Patent for some of the best States is for sale.

An experienced gentleman in the Patent Office at Washington bought the right of one State as soon as it was patented.

My address is Nashville, Tennessee.
