Health of American Women.

From the New York Daily News (Editorial).

"We desire to call attention to a letter from Dr. Joshua F. Bridge, on 'The Health of American Women,' in another column. He treats the subject in an able manner, and his skill as a medical judgement may be relied upon."

From the Albany Morning Express.

"Marshall's Uterine Catholicon has proved to be fully as valuable as it is claimed to be in many severe test made by physicians generally and others. Dr. Bridge is a regular physician of very fine attainments, a man of great judgement and discrimination, a judicious and highly successful practitioner in all diseases, especially those of women and children."

From Physicians.

"Marshall's Uterine Catholicon will certainly cure all the diseases for which it is recommended.

"In the world of quackery there is no remedy."

"In the world of quackery there is one remedy."

MARSHALL'S UTERINE CATHOLICON

is unhesitatingly offered as a reliable remedy for all those complaints to which every woman is liable, and which gradually affect the mind as well as the body, so that to think, talk or write, becomes alike a source of suffering if not of impossibility. Among the complaints for which the Catholicon is a remedy, are Falling of the Womb, Whites, Suppressed, Irregular or Painful Menstruation, Bloating Inflammations and Diseases of the Ovaries or Uterine Organs, Retention or Incontinence of Urine, Leucorrhea, Costiveness, Nervousness, Faintings, Palpitations, Fevers, Disturbed Sleep, and all trouble, organic or sympathetic, connected with the uterine organs.

Ladies who are troubled with any of the above symptoms, or with a sine, liver or lung complaint, are invited to use this medicine, with full confidence that they will find relief. Marshall's Uterine Catholicon is a secret medicine, but its ingredients have been made known to the Medical Colleges, and they are at the service of any respectable physician in the country.

The price of MARSHALL'S UTERINE CATHOLICON, is One Dollar and a Half per bottle.

PAGE'S PERPETUAL LIME KILN.

THIS KILN will burn four hundred bushels of Lime Stone (which, if good stone, is equal to one thousand bushels of slacked lime) in twenty four hours, with four cords of wood, and is perpetual in its operation, the lime being drawn once in three to six hours, from the base, and replenished at the top of the cupola. This is but the ordinary every day capacity of the kiln, as has been abundantly demonstrated by those already in operation. It also makes much better lime than that burned in the ordinary way, all the stone being perfectly burned.

Any number of reliable certificates to the capacity of the Kiln, and any other information in reference to it, will be furnished, on application by letter or otherwise, to the subscriber, who is agent for the sale of rights and putting up Kilns in the State of Tennessee.

CINCINNATI ADVERTISEMENTS.

CINCINNATI DISTILLERY.

S.N. PIKE'S *Magnolia* WHISKEY Cincinnati OHIO.

COPPER DISTILLED S.N. PIKE'S CELEBRATED *Magnolia Whiskey*

COUNTERFEIT!

CAUTION TO PARTIES PURCHASING

S. N. PIKE'S

Magnolia Whisky,

CINCINNATI, OHIO.

THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY, would respectfully inform his customers and purchasers of this celebrated brand, that there has appeared in Charleston and other Southern markets a counterfeit of the above Whisky, being a noisonous imitation branded similar to his brand; it purports on the name of S. N. Pike's Magnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. Pike. As there is no such firm in this city of the name of S. N. Pike, it is intended to impose and deceive those who would purchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfeit article, and found that it contains a deadly poison. this fact alone induces me to caution the public against those who are liable to be sealed, and prevent the evil results attending the use of this poisonous imitation. I do hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualities of Rye and Corn, and is warranted free from any deleterious or noxious ingredients, it being a pure and healthy beverage.
