Health of American Women.

From the New York Daily News (Editorial).

"We desire to call attention to a letter from Dr. Joshua F. Bridge, on 'The Health of American Women,' in another column. He treats the subject in an able manner, and his skill and medical judgment may be relied upon."

(*From the Albany Morning Express.*

"Marshall's Uterine Catholicon has proved to be fully as valuable as it is claimed to be in many severe tests made by medical gentlemen and others. Dr. Bridge is a regular physician of very fine attainments, a man of great judgment and discrimination, a judicious and highly successful practitioner in all diseases, especially those of women and children."

(*From Physicians.*

"Marshall's Uterine Catholicon will certainly cure all the diseases for which it is recommended.

"There is no medicine like it in this country."

"In the worst cases I have ever met with Marshall's Uterine Catholicon is a certain and safe remedy."

MARSHALL'S UTERINE CATHOLICON

is unhesitatingly offered as a reliable remedy for all those complaints to which every woman is liable, and which gradually affect the mind as well as the body, so that to think, talk or write, become alike a source of suffering, if not of impossibility. Among the complaints for which the Catholicon is a remedy, are Falling of the Womb, Whites, Suppressed, Irregular or Painful Menstruation, Bloating, Inflammations and Diseases of the Kidneys or Urinary Organs, Retention or Incontinence of Urine, Heartburn, Costiveness, Sleeplessness, Faintings, Palpitations, Cramps, Prickly Heat, and all trouble, organic or sympathetic, connected with the uterine organs.

Ladies who are troubled with any of the above symptoms, or with spine, liver or lung complaints, are invited to try this medicine, with full confidence that they will find relief. Marshall's Uterine Catholicon is not a quack medicine, but its ingredients have been made known to the Medical College, and they are at the service of any respectable physician in the country.

The price of MARSHALL'S UTERINE CATHOLICON, is One Dollar and a Half per bottle.

PAGE'S PERPETUAL LIME KILN.

THIS KILN will burn four hundred bushels of Lime-Stone (which, if good stone, is equal to one thousand bushels of slacked lime) in twenty-four hours, with four cords of wood, and is perpetual in its operation, the lime being drawn once in three to six hours, from the base, and replenished at the top of the cupola. This is but the ordinary every day capacity of the Kiln, as has been abundantly demonstrated by those already in operation. It also makes much better lime than that burned in the ordinary way, all the stone being perfectly burned.

Any number of reliable certificates to the capacity of the Kiln, and any other information in reference to it, will be furnished on application by letter or otherwise, to the subscriber, who is agent for the sale of rights and putting up Kilns in the State of Tennessee.

CINCINNATI DISTILLERY.

S. N. PIKE'S *Magnolia* WHISKEY Cincinnati OHIO.

COPPER DISTILLED S. N. PIKE'S CELEBRATED *Magnolia Whiskey*

COUNTERFEIT!

CAUTION TO PARTIES PURCHASING

S. N. PIKE'S

Magnolia Whisky,

CINCINNATI, OHIO.

THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY, would respectfully inform his customers and purchasers of this celebrated brand, that there has appeared in the Charleston and other Southern markets a counterfeit of the above Whisky, being a poisonous imitation, branded similar to his brand; it passes under the name of S. N. Pike's Magnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. Pike. As there is no party in this city of the name of S. N. Pike, it is intended to impose upon those who would purchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have kept several samples of this counterfeit brand, and found that it contains a deadly poison; this fact alone impels me to caution the public against those who would be so reckless, and prevent the evil results attending the use of this poisonous imitation. I also hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualities of Rye and Corn, and is warranted free from any deleterious or obnoxious compound, it being a pure and healthy beverage.

Many parties have recently commenced selling a brand of Whisky CALLED Magnolia, but they are an imitation of my trade brand, so be careful to get the only genuine Magnolia Whisky made in the United States, and distilled only by me.

PITT'S PATENTED SMOKE EXPELLING HEAT RADIATOR.

SIMPLICITY, neatness, utility, comfort, economy and durability are combined in this improvement. A single piece of cast iron of peculiar form, so placed with its lower edge resting against the back of the fire place, and the upper resting on the inside of the arch, at an angle forming part of the back itself, without interfering with the fuel. Apertures are so arranged in the grate as to create a draft sufficient to correct a smoky chimney, and the intermediate heats are so made that the heat that would otherwise escape by the chimney, is arrested and reflected or thrown back into the room. No alteration in the masonry of any ordinary fire-place or chimney is necessary. It can be put up in a few minutes by any person of common sense.

I has been fairly tried before competent witnesses, and proved successful.

The length of the back of the fire place and the breadth of the flue at the arch inside, regulate the price. The cost is but a trifle.

The Right of the Patent for some of the best States is for sale.

An experienced gentleman in the Patent Office at Washington bought the Right of one State as soon as it was patented.

My address is Nashville, Tennessee.
