October & November. Shake and Burn! Shake and Burn!! Shake and Burn!!!

This is the lot of agony endured by the sufferer from Fever and Ague. He wanders like an uncertain shadow, never knowing what moment he may be prostrated, and therefore disinclined to give any serious attention to business. This is the condition of thousands in town and country. It is no hyperbole to say that Fever and Ague kills more people than any other twenty diseases in America. For a speedy and sure cure of this terrible affliction, we take great pleasure in recommending HOSTETTER'S STOMACH BITTERS, which have already a hitherto a wide reputation for rapid and powerful effects in removing the system prostrated by this disease. In Hospital, at New-Orleans, La., March 10th, 1864, of typhoid fever, FREEMAN A. FAIRBANKS, formerly of Whitingham, a member of Co. B, 8th Vermont Regiment, aged 22 years.

In December last when the loud call for three hundred thousand men was winging through the land, He, like a brave young man felt that duty called him to go and fight for his country which was in danger. He left his friends for the last time the last of January and went to New Orleans where he was afflicted by the fatal disease, and after lingering for only three short weeks in pain and suffering He was called to part from this world of sorrow for a higher and brighter world of joy. He was a healthy, enterprising young man, faithful, kind and true to all his friends and neighbors; a man attentive to his business; of correct habits; and did fair to be a useful man. He was a kind, affectionate, loving brother, and dear beloved son, and much beloved by all who knew him. But the flower that blooms here on earth must blossom in Heaven. A large circle of friends are left to mourn the loss of one so kind a true. He leaves a kind and loving Mother who deeply feels the loss of a son so dear.—But may the Lord be with her in all these trials that she is called to pass through. In the past three years she has been called to part with her Husband, Father, Mother, and two sons. But may she feel that whatever the Lord does is all right, and now as the Lord has seen fit to take the flower of the family away from her may it lead her closer to Christ; may she live the remainder of her life a true, devoted Christian and a follower of Jesus Christ; and may she be prepared when she is done with this world to meet with her loved ones in Heaven, that sweet place of rest. He leaves also three brothers and three sisters who deeply mourn for a brother who was loved as dear. But may this be a lesson to them to lead them to Jesus in the morning of life, and when the Lord calls them from this world may they be as willing to go as their brother and meet sweet him with Jesus, never to part again. Let his brothers and sisters if they wish to be nearer to him think less of earth and draw nearer to heaven and then they will nearer be to him.

Let them not weep for him for now he is at rest
In the arms of Jesus his Saviour;
But let them prepare to meet him above,
In a land free from sin and sorrow.

Let them not think he has left them forever;
They will meet again beyond the tomb's embrace;
But let them think of FREEMAN that fair ful young man,
And prepare to meet Dear FREEMAN in Heaven.

LORINDA.

At Halifax Vt., March 1st, of diphtheria, ROSELLA M., only daughter of Sanford S. and Almira S. Fairbanks, aged 6 years.

Her Father is fighting for his country and has been for two years past. For two short weeks little ROSELLA lay in pain and suffering with this fatal disease, diphtheria. But through all her sufferings she was patient, calm and quiet; and the morning before she died she called her mother to her side and clasped her little arms around her Mother's neck, and kissed her for the last time, and repeated these words:—"I wish I could see Papa," and then raised her little trembling hands all cold and purple, with death, to Heaven and with a sweet smile of heaven she closed one little eye and covered it with her hand and then closed the other and breathed her last.

Little ROSELLA, we trust, has gone to Heaven,
Sleeping with the children of Jesus;
This little flower that bloomed here on earth
We trust will soon day blossom in Heaven.

Little ROSELLA was young but she must die,
In her grave she was called to lie;
And willing were we to part her go
If the will of God be so.

Now she will with Jesus be;
Now she will her Saviour see;
Never more to suffer pain;
Never more to die again.

DR. S. O. RICHARDSON'S

Blood Root Elixir

Has been thoroughly tested and proved in his medical practice, for a period of THIRTY YEARS, and is now presented to the public as an effectual cure for

COSTIVENESS,

AND THE BEST REMEDY EVER PREPARED FOR

DISEASES OF THE LIVER,

SCROFULA,

ALL HUMORS AND IMPURITIES OF THE BLOOD

AND DISEASES OF THE SKIN.

The preparing and combining the blood-root elixir is attended with results to medical science next in importance to inhalation of ether in surgery. Roots and Plants, in their crude state, are safest and desirable, are, by a new and scientific process of extracting (in vacuo,) rendered more effective in their operation, entirely divested of the griping and distressing pain which attends the action of other purgative medicines. They are also made to become highly

PLEASANT AND AGREEABLE TO THE TASTE,

and by their peculiar combination work so perfectly in harmony with it, that no unpleasant reaction will follow its operation. It also possesses

A DIFFUSIVE AND ALTERATIVE EFFECT,

which can only be attained by medicine in a fluid state.—These are new elements in purgative medicines.

The hard and compact manner in which Pills are prepared, renders them indigestible—and when taken, are forced through the stomach and Bowels, half dissolved, causing only partial action, thereby creating irritation and pain to the parts connected with their passage.

One Pill die-solved, 'secundum artem,' will produce more medicinal and physical effect than five in a crude state.

The Blood-Root Elixir has no partial action upon the Bowels, but it is equally diffused there, and throughout the whole circulation of the blood, imparting a healthy and invigorating action to the Stomach and Bowels, Liver, Lungs, Kidneys, and gently stimulating dormant and morbid secretion throughout the whole system.

A single dose will produce a cheerful and exhilirating emotation, which will inspire the patient with confidence and assurance of immediate relief. A continuance for a short space will drive the obscure and hidden humors to the surface of the skin, and relive or check Scrofulous Affections—and by thus purifying and strengthening the blood, will remove the most fruit ul

CAUSE OF CONSUMPTION.

It incites the various organs of the system to act their allotted part, removing the causes which induce rheumatism, Neuralgia, Headache, Loss of Appetite, Dyspepsia, Costiveness, and various diseases which arise from a derangement of the Stomach and Bowels, and restricted circulation of the blood.

Coughs and Colds in their early stages, will immediately yield to the effect of the Elixir.

The Blood-Root Elixir contains no mineral, no pernicious botanical element, no excitant, but stimulates the secretions by its mild and diffusive action. It is an effective and painless aperient—has a decided salutary act si upon the Liver, and there has been no medicine prepared for common family use which possesses equal merit.

Travellers, both by sea and land, will find the Elixir a complete antidote for the evils which they are obliged to endure from a change of climate, of water, or of diet.

See the pamphlet around each bottle for a history of this Elixir.

The proprietor of the Blood-root Elixir, (Dr. S. O. Richardson,) has been long and favorably known to the public by his celebrated Sherry Wine Bitters, the best tonic medicine ever discovered, and which has been in use over thirty years.—He is a graduate of the New Hampshire Medical College, and many years associate member of the Massachusetts Medical Society—and has made the study of medicine his profession since 1829

And so fully convinced is the Doctor of the wonderful curative effects of his Blood-root Elixir, that he hereby offers to each and every person who will use one half of a bottle of his elixir and not be conscious of a good effect therefrom, to refund to said person the full amount which he paid for the same, by returning the village bottle to his office.

PRICE $1.50 PER BOTTLE.

DR. MATTISON'S SURE REMEDIES

—FOR—

Special Diseases.

INDIAN EMMENAGOGUE.

This celebrated Female Medicine is prepared expressly for both *married and single ladies*, and is superior to anything else for the purpose, and it will regulate the system in cases of obstruction from whatever cause, and is therefore of the greatest value to *married ladies*, who from ill health or other reasons may wish to avoid an evil to which they are liable. If taken as directed, it will cure any case curable by medicine, and it is also perfectly safe at all times. Full directions accompany each bottle. Price $10.—

☞ REMEMBER—*This medicine is designed expressly for obstinate cases, which all other CHEAP remedies of the kind have failed to cure; also that it is warranted as represented in every respect, or the price will be refunded.* ☞ BEWARE OF IMITATIONS! and especially those having a counterfeit of my *Indian Figure* for the purpose of deception. None genuine unless obtained *directly of Dr. Mattison*, at the OFFICE FOR SPECIAL DISEASES, No. 28 UNION STREET, PROVIDENCE, R. I. ☞ *Accommodations for Ladies during treatment.*

DIURETIC COMPOUND,

For the Special Diseases of the Urinary Organs, resulting from imprudence and contagion. This new remedy contains neither *Cubebs, Uncbeb Turpentine*, or any other Nauseous drugs, but is an elegant vegetable liquid, pleasant to the taste and smell, speedily removing all improper discharges, and all heat and irritation in the urinary passages. You, therefore, who have been taking *Balsam Copaiva* in various forms for months without benefit, until sick and pale, your breath and clothes are filled with its vile odor, throw away the disgusting mixture, and send for a bottle of this *New Remedy*, which will not only cure you at once, and also cleanse the system from the injurious effects of the mixtures you have been taking so long. ☞ *Chronic* cases, that have resisted all kinds of treatment for months and even years, *it will cure immediately.* Try it, and if you are represented *the above it will be refunded. One bottle generally sufficient.* Price, $5. Sent by Express.

ALTERATIVE SYRUP.

For Impurities of the Blood resulting from imprudence and contagion, or abuse of Mercury, causing eruptions on the Skin; Sore Throat, Mouth and Nose; Loss of Hair; Old Sores; Swellings; Pains in the Bones; and all other signs of an active virulent poison in the system. ☞ No remedy ever discovered has done what has been achieved by this. Under its use every form of constitutional syphilitic or mercurial taint is speedily cured, and a short time the subtile poison is completely eradicated from the system, and health and strength are permanently restored. ☞ *It was this remedy that cured a gentleman from the South then stopping at Newport, and for which he presented Dr. M. with $450 besides his bill, after having been under the treatment of the most eminent physicians in Baltimore, Philadelphia and New York, for five years.* Never despair of a permanent cure, no matter how inveterate your case has been, until you have thoroughly tested the virtues of this potent *Alterative*.—☞ One large bottle lasts a month, price, $10. Sent by express.

NERVE INVIGORATOR.

For Nervous Debility; Seminal Weakness; Loss of Power; Confusion of Thought; Loss of Memory; Irritable Temper; Gloomy Apprehensions; Fear; Despondency and Melancholy, which may end in Loss of Reason. This new remedy, for that fearful train of mental and physical evils arising from *secret habits of the young*, or excesses of mature years, is composed of the most soothing, strengthening and invigorating medicines to be found in the whole Vegetable Kingdom, forming in combination, the most perfect and *safe* cure for this obstinate and distressing class of maladies ever yet discovered. It has now been sent to nearly every State in the Union, relieving the untold sufferings of hundreds who have never seen the inventor, restoring them to health, strength and happiness. One large bottle lasts a month. Price $10. ☞ These FOUR GREAT REMEDIES, now prepared, are superior to any thing else for their respective purposes, and are made public for the benefit of those who otherwise could never avail themselves of their virtues. They are all warranted as represented in every respect, or the *price will be refunded.* **Beware of Imitations!** and especially those worthless nostrums left at drug stores *to sell*, having a counterfeit of my *Indian Figure* for the purpose of deception. The genuine is prepared ONLY by DR. MATTISON, at his OFFICE FOR SPECIAL DISEASES, in Providence, and is to be obtained NOWHERE ELSE. Sent by Express *everywhere*, in sealed package, *secure from observation*, on receipt of the price by mail.

IMPORTANT CAUTION.

Thousands of Dollars are paid to swindling quacks annually in New England alone, which is *worse than thrown away*. This comes from trusting to the deceptive advertisements of men calling themselves *Doctors*, whose *only* recommendation is *what they say of themselves*. ☞ Advertising physicians, in nine cases out of ten, are *impostors*. The *only safe* way is, to go to some *regular practising physician*; or, if you prefer one who makes your disease a *specialty*, be sure that he is not an advertising *quack*, or you will have reason to regret it. Dr. Mattison is the only *educated* physician in Providence, if not in New England, who *advertises treating Special Maladies*; and he gives **Undoubted Testimonials**, without which no *stranger* can be entitled to confidence. Enclose one stamp for postage and send for them, with a pamphlet on SPECIAL DISEASES, sent *free*. Dr. Mattison is a regularly educated physician of twenty years' experience, ten in an extensive *general practice*, until declining health compelled him to relinquish that, and adopt an *office practice*, treating all diseases and accidents resulting from imprudence in both sexes, giving them his *whole attention*. Persons at a distance, having any important or difficult case, will do well to consult Dr. M. or send for his testimonials before going elsewhere. All business faithfully attended to, *and perfect satisfaction guaranteed.* ☞ Address or call on or at office from No. XX, (old No.) 28, DR. MATTISON,

No. 28 Union Street, Providence, R. I.
