Report for Month.

The report of D. A. Stewart for the labor bureau.

During the month of October the attention of the organization was called to thirty-one families of whom unemployment came under the care of the Bitting Charities and fell under that of the Humane society. This group of individuals consisting of one hundred twenty-four persons was composed of forty-one men, women and children between years of age and other and dependent children under that age.

A study of the marital condition of these people shows nearly three times as many married couples and widows. There being eleven normal families and only six widows. There were three deserted women or separated couples, two widowers, one divorced couple and one single man of local residence.

Our attention was directed to these families one hundred fourteen times. In fifty-one instances the needy made application in their own behalf. Private individuals interested thirty-five times. Churches, church workers or societies reported eight families, school officials six, building inspectors and police five each, county and city officials other than the police two, and out-of-town societies two.

Relief is Given.

Relief was secured forty-one times as follows: Medical aid in the way of operations and classes for defective eyes, etc.; county materials six, city; Golden Rule fund, two; charities, one; grocery order G. K.'s, once; temporary employment, once. In three instances applicants were referred to other organizations. One family left the city and two were aided through cooperation and advice in their endeavor to become self-supporting.

The work of the humane officer carried him into ten homes in half of which there was some abuse of children reported by interested persons. So far it has not been found necessary to take any of these families into court, but all are under surveillance. Two horses were humanely

TRY THIS IF YOU HAVE DANDRUFF

Or Are Bothered With Falling Hair or Itching Scalp.

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly and your hair will be fluffy, lustrous, glossy, silky and soft and look and feel a hundred times better.

If you want to keep your hair looking rich, do by all means get rid of dandruff, for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everybody notices it. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

BRING BIG SHIP BACK TO NEW YORK

Kaiserin Cecile Left Bar Harbor at Daybreak with Torpedo Boat Escort.

[United Press Leased Wire Service.]

BAR HARBOR, Maine, Nov. 6.—With two United States torpedo boats acting as her escort, the North German Lloyd liner Kaiserin Cecile left here at daybreak for Boston.

The Cecile, carrying some $10,000,000 or more in gold here for English and French banks, sailed from New York a day or two before the outbreak of the European war. Fearful of capture by English and French warships, which were haunting the steamship lanes of the Atlantic, the steady boat, which offered a rich prize to the enemy, doused all lights and scurried to cover in Bar Harbor.

The Cecile's passengers immediately were taken off and given transportation back to New York. American bankers who had shipped the huge treasure on the Cecile, arranged for its return here. For a time it was feared by the North German Lloyd officials that the liner would have to remain in Bar Harbor which is none too safe an anchorage in the winter. The liner was ordered to Boston following libel proceedings filed against the ship by the bankers who shipped the gold. They claimed they had suffered great loss because the gold did not reach its destination.

LOSS IN GARAGE FIRE WAS $8,500

Figures Compiled by Insurance Men Show Loss Was Less Than Was at First Estimated.

VALUATION WAS $47,000

Nearly Half Million Dollars Worth of Property Was Involved in Fire, Figures Show.

All property loss in the recent garage fire amounting to $8,500, according to figures that have been compiled by insurance men. The total valuation of the property involved in the fire is closely estimated at $47,000. The total amount of insurance carried was $38,000.

The loss on the Hatch garage building by any calculation was $15,000, the valuation of which was $18,000, and the insurance $12,000. The loss on the Kirkham factory building was $500. The valuation of this building and its contents is $30,000, while the insurance carried is $20,000. The loss on the laundry building and contents was $1,000. The valuation of this was $15,000, which was covered by $10,000 insurance. The loss to the Schreiber building and contents was $1,500, the valuation $7,000, and the insurance carried $5,000.

The total loss is a little less than one-third of the first estimate made the day following the fire. At that time the loss was believed to be in the neighborhood of $20,000. The estimate made at that time on the loss to the laundry building and contents was from $1,000 to $1,500, while the loss on the Schreiber building and contents was then estimated about $2,000. The first estimate made on the value of the Hatch building, which was a total loss, was placed at from $22,000 to $24,000. This was later reduced several thousands of dollars.

COMMERCIAL LEAGUE GAMES THIS EVENING

Two Big Fracas Slated for the Tonight—League is on in Full Swing—Have Good Teams.

Two big games will be played tonight at the Y. M. C. A. in the Commercial basketball league when the Stitzinger club with the Kellogg-Rizzo and the M. E. F. Co. meets the Forty Gets team. The first game will be started at 8:10.

The Stitzinger team, which won the pennant in the league last year, is in the best kind of form. The Kellogg-Rizzo team, which made an excellent showing last season, is under the leadership of Henry Porterfield, one of the most versatile stars of the old Y. M. C. A. team of "Greens."

The Mississippi River Power company team is lead by a "P" star, Paul Kinz, and the men are nearly all experienced players. With the kind of an introduction the Forty Gets team gave to the public in their first game Tuesday night a wonderful contest during the season is assured. The league is now under full steam and large crowds are expected to take in the game. In the absence of Charles King, Charles Allen will have charge of the games this evening.

Claim Kidnaped.

[United Press Leased Wire Service.]

NEW YORK, Nov. 6.—Another sensational episode has been added to the career of Mrs. Ida Von Claussen today. A note was thrown from an auto speeding north on Fifth avenue last night, stating that Mrs. Von Claussen was being kidnaped by Commissioner of Corrections Katherine B. Davis.

Miss Davis today denied that she had "kidnaped" Mrs. Von Claussen. She declared Mrs. Von Claussen was in her care, but declines to say where her prisoner is confined or whether she might have been in the auto from which the note was thrown. Mrs. Von Claussen has been confined in jail at Garden City for some time. She was convicted of sending threatening letters to Charles Strauss, formerly her attorney, and later was ordered committed to Matteawan.

OLD AND NEW WAY

The Hyomei Remedy for Catarrh, Colds and Croup a Most Valuable Discovery.

The discovery of Hyomei has made a wonderful change in the treatment of catarrh, head colds, and similar ailments—you simply breathe a medicated air using a small inhaler that comes with every complete outfit.

Hyomei is a combination of antiseptic oils that mixes with the air so that its health-giving medication must go directly to the sore, raw, inflamed lining of the nose, throat and bronchial tubes. It almost immediately stops the disagreeable nasal discharges, quickly relieves that choked-up feeling, heals and strengthens the delicate tissues.

The strongest evidence of Hyomei's curative value for catarrh, head colds, asthma, etc., is that your well-known druggist, Wilkinson & Co., sells it under a guarantee to return your money if you are not satisfied. Do not delay treatment for Hyomei is not only harmless but pleasant to use, and nothing to pay if not cured.

Sealed Bid Plan.

PENDLETON, Ore., Nov. 6.—With the establishment of a warehouse at Portland where all wool will be sold under the sealed bid plan as the principal subject to be acted upon, the annual convention of the Oregon Wool Growers association convened here today for a two day session.

The convention will probably adopt a resolution asking the government to put a bounty on wild animals which are rapidly increasing in number in the federal forest reserves, to the great menace of flocks.

LOOK AT CHILD'S TONGUE IF SICK CROSS, FEVERISH

When constipated or bilious give "California Syrup of Figs."

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, indigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative;" they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.
