SEWELL'S PENSION, BOUNTY and PRIZE LAWS.
D. APPLETON & Co., Nos. 443 and 445 BROADWAY, HAVE JUST PUBLISHED,
PRACTICE IN THE EXECUTIVE DEPARTMENT OF THE GOVERNMENT,
under the
PENSION, BOUNTY AND PRIZE LAWS OF THE UNITED STATES.
By
ROBERT SEWELL.
1 vol. 8vo., law sheep. $3 50.
From the U. S. Pension Office.
"A careful examination of so much of this book as relates to Pension Laws and Practice has led me to the conclusion that, for the present use of attorneys and claimants before this Office, no more valuable treatise can be found. The omission of all obsolete matter, and an attempt to meet all inquiries as to the details and practice under the only Pension Law which now has any great interest for claimants or others, may be specified as of particular merit. The clear style, the candid tone, in which you have treated the several topics embraced within your plan, should also commend the work to general favor. I can cordially recommend it to the attention of all persons interested in the various matters of which it treats."
Sent free by mail to any address on receipt of the price.
