PUBLIC SALE

57 Head of High Grade Milch Cows

Having decided to go into the breeding of Pure Bred Cattle I will sell at Public Auction at my farm, 2 miles west of Minot, N. D., on Thursday, March 28th, a fine lot of choice cows and heifers consisting of

16 two-year-old High Grade Milking Durham Heifers, all to be fresh in April and May.

These heifers are all sired by "Daisy Campbell" No. 222792 and are bred to pure bred bull.

31 High Grade Cows from 2 to 8 years old, nearly all fresh this spring and the balance this fall. These cows are all bred to pure bred Holstein or Guernsey bulls. Not a three teater in the bunch.

In this bunch of cows are six High Grade Guernseys, 8 High Grade Holsteins and the others are cows which have been selected by me for their good milking qualities. They are nearly all bred to my registered Holstein Bull "Norwood Homestead Hangerville" No. 62401. This bull is a grandson of old "Hangerville de Kol" who has 115 daughters in the advanced registry.

10 well marked High Grade Holstein bull calves.

Here is a chance to get some excellent cows at your own price. They are all first class in every respect and sold for no fault. All cattle tested for Tuberculosis, by the State.
