TROPICAL BALSAM.

PREPARED BY CARRENO BROTHERS & Co.

This celebrated and unparalleled medicine, composed only of salutiferous and purifying vegetables, has been, for many years past, the most popular remedy of South America, and is an infallible remedy for the speedy cure of Phthisis, Croup, and all other Diseases of the Chest and Throat; affections resulting from falls, blows, or bruises, however severe; Hemorrhages, Wounds, Contusions, Ulcers, Felons, Burns, Piles, Headache, Toothache, and other diseases. (See directions around the bottles.)

Ever since this valuable medicine has been introduced in this country, its internal and external use has never failed to produce the most wonderfully successful results.

Heads of families are advised to keep always this Balsam by them, in order to use it in time in cases of Wounds, Hemorrhages, Burns, Bruises, &c.; also, those who are devoted to such occupations as expose them to danger, or require the use of instruments wherewith they may be injured in any way.

The following are some of the many valuable testimonial letters in our possession, testifying to the marvelous efficacy of this Balsam:

NEW-YORK, Jan. 16, 1864.

MESSRS. CARRENO BROTHERS & Co.—*Gentlemen:* I am happy to inform you that your celebrated "Tropical Balsam" has recently saved a child of a friend of mine in a wonderful manner. The said child was seized a few days ago with such a violent attack of croup that nothing could relieve him from strangling, and the danger was so imminent that no time could be spared to call for a doctor. Then, upon my representation, a dessert spoonful of the Balsam was administered to him. His respiration gradually became easier. Half an hour afterward he breathed freely, and fell right asleep, and ever since is entirely well. I consider this remarkable cure worth publishing. Your obedient servant, P. C. DEVLIN,

No. 20 Montgomery-st.

NEW-YORK, Oct. 26, 1863.

MESSRS. CARRENO BROS. & Co.—*Gentlemen:* The "TROPICAL BALSAM" you prepare has, to my knowledge, produced surprising effects. Since I read your Circular I have had occasion to recommend it to several persons for hemorrhage, resulting from wounds, also for ulcers, &c., and it has in all cases produced an instantaneous relief and a rapid cure. I recommended it likewise to a friend of mine who suffered from external hemorrhoids (piles), although you don't say in your circular that it is a good remedy for the cure of this disease, and he was very much relieved in a few minutes after the application of the Balsam, getting gradually better and better until he was entirely well in 36 hours.

Wishing the virtues of the "TROPICAL BALSAM" to get known, and its use to become general, I have not hesitated to address you the present, that you may publish it if you like.

Yours respectfully, J. R. CARRERAS,

No. 150 Water-st.

GRAMERCY PARK HOTEL, NEW-YORK, Oct. 9, 1863.

MESSRS. CARRENO BROTHERS & Co.—*Gentlemen:* In reply to your favor of this date, and following the same order in which your questions stand, I have to say: First, I know, both by reputation and from personal experience, the Tropical Balsam your prepare. Secondly, having myself, about a month and a half ago, been taken ill with a severe cold, attended with cough, which, owing to my having neglected it at first, was so considerably aggravated that two or three weeks afterward I became quite alarmed about it, I made up my mind to take the Tropical Balsam, from the confidence I placed in the reputation it enjoys, and in your good faith. I therefore took a teaspoonful of the Balsam in the morning and another in the evening during one single day, and two days afterward, without having used anything else, and to my surprise, I was perfectly recovered, and ever since I feel quite well. Your most obedient servant, RAFAEL DE POMBO,

NEW-YORK, Oct. 13, 1863.

MESSRS. CARRENO BROS. & Co.—*Gentlemen:* My wife was long suffering from a very bad felon on her right hand, which had to be opened at last. The hand was so much inflamed and swollen, and the opening so large and deep, owing to the extent of the felon, that we all entertained serious fears that she might lose at least the two fingers which were interested. But, fortunately, the reputation of the virtues of the "Tropical Balsam," which you prepare, reached our ears. My wife used it as an only remedy, and the inflammation and swelling shortly disappeared, the hand getting nicely and perfectly healed in five days, to our astonishment, and even to that of the doctor who had opened the said felon. We look upon the "Tropical Balsam" as a most valuable and miraculous remedy, and I am very happy to state it to you as a testimony of our appreciation of it. We hope the said Balsam will soon be universally used, for the sake of suffering humanity. I am, with great regard, gentlemen, your most obedient servant,

B. MOONEY, No. 335 East 16th-st., New-York.

No. 45 WALL-ST., NEW-YORK, Oct. 27, 1863.

MESSRS. CARRENO, BROS. & Co.—*Gentlemen:* It gives me great pleasure to inform you that your "Tropical Balsam" has entirely relieved me of a protracted and painful cold, exhisting itself in severe hoarseness, sore throat, and pains in my chest, from which I had been suffering for over a month past.

As I have given your "Tropical Balsam" a fair and impartial trial, and am convinced of its thoroughly beneficial effects, I cheerfully recommend this remedy to such as may be suffering from similar causes as the means of a certain and speedy cure.

Respectfully yours, WM. J. HUGHES.
