THE NATIONAL TAX.

The Taxes Imposed by the Tax Bill, and Passed by Congress, June 2d, 1862.—The Duties on Incomes, Insurance Companies, Stamps, Companies, &c.—The Taxes on Distilled Spirits, Manufactures, Oils, Paper, Gas, Candles, Tobacco, Snuff, Sugars, Iron, Soap, Screws, Cloth, Leather, Glue, Wine, Coal, &c.—The Tax on Cotton—The License Tax, &c., &c.

The Tax Bill just passed both Houses of Congress on the 23d of June. We give below a table of the taxes imposed. The names of the articles and classes of persons taxed, are arranged in alphabetical form, rendering the table valuable for convenient and ready reference:

The taxes imposed are of the following different classes, viz:

First—A tax on persons and corporations engaged in certain pursuits, or callings.

Second—A tax on manufactured articles, products, &c., to be paid by the manufacturer or producer when he sells such articles or products.

Third—Duties on incomes of individuals, railroad and steamb at companies, public officers and others.

Fourth—Duties to be paid for stamps, which the bill requires to be affixed to certain papers, medicines, documents, &c.

The Tax Bill is to go into effect on the first of August. A large portion of the people of the Northern States will be called on for the income tax, concerning the payment of which an erroneous impression is prevalent. It is not to be paid immediately, on the income and profits of the year already passed, but will become due on the 1st of May, 1863, and be levied on the income for the year preceding. A list is placed in the time in which the tax shall be in operation, the date fixed for it to cease being 1866.

The President may divide the states into districts, not exceeding the number of congressional districts, and appoint an assessor and collector (to be confirmed by the Senate) for each district. Each assessor may divide his district into convenient sub-districts, and appoint an assistant in each division. Each collector may appoint as many deputies as he may deem proper. Bonds are required. Collectors to pay and be responsible for acts of their deputies.

All persons, partnerships, firms, corporations, or associations, are required to make lists of all their property or incomes taxed by this law, on the 1st of August, 1862, and 1st of May thereafter, and deliver such list or statement to the assistant collector of the district. A fine of $500 is imposed for incorrect lists.

Persons refusing to furnish a list of their taxable effects and incomes to be fined $500, and the assessor will make a list and then add fifty per cent. to it, and the assessors are authorized to enter dwellings and places, to ascertain the value of property.

The assessors may hear appeals, but shall not increase assessments without first giving notice to the assessed party.

The collectors shall give notice by advertisements or post bills of the time when assessments are due, and if they are not paid within ten days of that time, ten per centum shall be added to the amount assessed; and the collector or a deputy shall, within twenty days thereafter, call upon the persons refusing to pay, demanding the amount due, with ten per cent. add; and, if not paid then, the collector may sell enough of the property assessed to raise the taxes, ten per cent added, and the expenses, to be of sale to be publicly advertised. Tools or implements of a trade or profession, one cow, arms, and provisions, and household furniture kept for use, and apparel necessary for a family, shall be exempt from such sale. Property that cannot be divided, to be sold entire, and the surplus paid back to the owners. If property taxed cannot be sold for the amount of the taxes, it shall be bid in by the collector for the United States, and then sold for whatever sum it may bring.

Pains for obstructing or hindering a collector or deputy, $500.

The compensation of collectors is four per centum on the first hundred thousand dollars collected, and one per cent on all over that sum, and a proper amount of stationary, etc., is also allowed. Out of the commissions the collectors must pay their deputies.

If the taxes cannot be collected in any State, at the time specified in the act, the President is directed to collect them as soon as possible, adding six per cent interest for the delay.

The collectors may grant licenses for distilling; the collectors to appoint inspectors of distilled liquors. The distillers may erect bonded warehouses, under certain restrictions. The provisions in regard to beer and distilled liquors are lengthy and in detail.

The penalties for carrying on any business for which a license is required, without a license, are severe.

Railroads and ferries to pay 3 per cent on their gross receipts for passengers. If any steamb at, 1½ per cent. Toll bridges to pay 3 per cent. on their receipts. Railroad companies shall pay 3 per cent. on the amount of their dividends and interest on bonds, and deduct the same from their payments to share and bondholders. Bank and insurance dividends are also taxed 3 per cent.

A tax of 3 per cent is levied on all gross receipts of newspapers, periodicals, books, leaves, &c.—$1,000 annually being exempt, and newspapers not having 2,000 circulation being also exempt.

It is understood that a separate bill will be passed taxing live stock and real estate.
