MEDICAL.

NOW IS THE ACCEPTED TIME. READ AND REFLECT.

DR. SPINNEY,

THE CELEBRATED PHYSICIAN FOR THE TREATMENT OF

CATARRH, THROAT, LUNG,

AND ALL

CHRONIC DISEASES,

Having permanently located in Davenport, cordially invites all who may be suffering with Chron Diseases, to call at his

Rooms in Fulton's Block, 83 Perry Street, Half Block North of Post Office.

DR. SPINNEY is well known as the founder of the Montreal (C. E.) Medical Institute, and proprietor of the Electro Medical Institute, Milwaukee, Wisconsin.

OFFICE HOURS—9 to 1; 2 to 5; and 7 to 8.

CONSULTATION FREE.

DR. SPINNEY HAS GIVEN HIS ENTIRE ATTENTION FOR THE PAST years, to the treatment of *CHRONIC DISEASES*, incident to both sexes, and his success has produced astonishing results. Many are they who have implanted in their systems, by the improper use of Calomel, seeds which have produced an annual crop of diseases. To such, he would say, *COME AND BE HEALED!* It matters not what your troubles may be, come and let the Doctor examine your case. If it is curable, he will tell you that; for he will not undertake a case unless he is confident of effecting a cure. It will cost you nothing for consultation, & please call and satisfy yourselves whether the Doctor understands your case. Dr. S. treats

HUMORS AND DISEASES OF THE BLOOD.

YOUNG MEN!

Who may be suffering from the effects of youthful follies or indiscretion, will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. Dr. SPINNEY will guarantee to forfeit *ONE HUNDRED DOLLARS* for every case of Seminal Weakness or Private Diseases of any character which he undertakes and fails to cure. He would therefore say to any unfortunate sufferer who may read this notice, that you are treading upon dangerous ground when you longer delay in seeking the proper remedy for your complaint; and may be in the first stage, remember you are approaching the last! If you are bordering upon the last, and are suffering some of all of its ill effects, remember that if you obstinately persist in procrastination, *THE TIME MUST COME WHEN THE MOST SKILLFUL PHYSICIAN CAN RENDER YOU NO ASSISTANCE*, when the door of hope will be closed forever against you; when no angel of mercy can bring you relief! In no case has the Doctor failed of success. Then let not despair work itself upon your imagination, but avail yourself of the beneficial results of his treatment before your case is beyond the reach of medical skill, or before grim Death hurries you to a premature grave.

MIDDLE AGED MEN.

There are many of the age of thirty to fifty who are troubled with too frequent Evacuations of the Bladder, often accompanied by a smarting or burning sensation, and weakening the system in a manner the patient cannot account for. On examination of the Urinary Deposits, a ropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be a thin milkish hue, again changing to a dark and turbid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the *SECOND STAGE OF SEMINAL WEAKNESS*. Dr. S. will guarantee a *PERFECT CURE* in all such cases, and a healthy restoration of the Urinary organs.

SPECIAL NOTICES.

VINEGAR BITTERS

VEGETABLE — FREE FROM ALCOHOL

DRAKE'S CALIFORNIA

VINEGAR BITTERS

R. H. McDONALD & CO., Druggists & Gen. Agts. San Francisco, Cal., and 32 and 34 Commerce St., New York.

Vinegar Bitters are not a Vile Fancy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Bitters," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores, cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the Blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

Daily Argus.

ROBERT COLLYER, in a sermon at the church of the Messiah thus described the Chicago fire:

It was difficult to describe the fire: he could only refer to his own part in it. There were doubtless many stories about it, probably as true as the stories of the battle of Waterloo, of which the Duke of Wellington said, "they are a pack of lies, every one of them; nobody knows anything about it but myself, and I confess I don't know much." The dry time had precipitated it; the city was a kind of tinder box; it was inflammable; the previous fires had not greatly alarmed them. He did not understand now how they were so little alarmed. On the day of the fire he had preached with a deep enjoyment, little anticipating the catastrophe of the night. When the fire broke out they thought but little of it, it seemed impossible there was danger on that side and to them. He went to sleep tired out, and the mother of children whom he had never disobeyed, called to him to get up and flee for their lives, as the fire was approaching and casting brands and sparks as forerunners. The sight was fearful to see, the danger imminent, burning brands were falling in every direction. People were running to and fro like madmen and the fire had crossed the river. At this time Long John Wentworth went by with bags of documents in his hands, and advised them to "move on, for the whole city would be in a blaze before noon of today, and everybody has to get out of it." The work of moving began—it was cruel work. A library that had taken twenty years to gather was lost. He had sent them off by a man who went and put them where the fire swallowed up both sentiment and their binding. A plenty of agricultural reports were saved and Congressional documents. Tried to save Unity Church. The scene was full of sadness and horror as well as of glory and beauty. The flames swept along and leaped like wild beasts. The flame tried the American character and brought out its beauty. No a man or woman moaned or cried out. Everyone was trying to do something for someone else. The church went up in smoke in spite of all their efforts.

I bought it home and took a few doses, and thought there was not much to it, but I kept on taking it and found it rather a powerful medicine. It did me much good. I felt let up, and by the time I had used half a bottle I found myself pretty well patched up,—so much so that I set it away and have not used any medicine since.
