We welcome to our columns again one old friend, Dr Humphreys, and his specific Homeopathic Remedies, which are well known to the public as reliable and efficacious. We have known the Doctor for many years, and know him as a conscientious Christian gentleman, and an accomplished physician. We have used his Specific ourselves, and they are used extensively among our friends, and are free to say that they are all that they claim to be—Invaluable Family Medicines. All who have the pleasure of Dr. H.'s acquaintance, know that he would offer nothing to the public unless it was fully up to the standard of recommendation.

HUMPHREYS'
HOMŒOPATHIC SPECIFICS.
HAVE proved, from the most ample experience, an entire success; Simple—Prompt—Efficient and Reliable. They are the only Medicines perfectly adapted to popular use—so simple that mistakes cannot be made in using them, so harmless as to be free from danger and so efficient as to be always reliable. They have raised the highest commendation from all and will always render satisfaction.
