NOTICE to the FIRST and SECOND MORTGAGE BONDHOLDERS of the PITTSBURGH, FORT WAYNE, AND CHICAGO RAILWAY COMPANY.—The Board of Directors of the PITTSBURGH, FORT WAYNE, AND CHICAGO RAILWAY COMPANY have requested the undersigned to call meetings of the First Mortgage and Second Mortgage Bondholders, in pursuance of the provisions of the deeds of trust, for the purpose of considering certain modifications of the present financial system of the company, to which the assent of a majority in interest of each of those classes of bondholders by a vote at a meeting is necessary. The principle of the proposed measures was submitted to the annual meeting of the corporation held at Pittsburgh on the 16th inst.—at which were present a majority of the stockholders and of each class of the bondholders, and was unanimously approved.

The undersigned, therefore, in exercise of the authority conferred upon them by Article 12 of the First and Second Deeds of Trust, give notice that

MEETINGS OF THE FIRST AND SECOND MORTGAGE BONDHOLDERS

Will be held at the banking house of Winslow, Lanier & Co., No. 52 Wall-st., in the City of New-York, on THURSDAY, the 7th day of April, 1864, at 11 a. m., for the purpose of considering the aforesaid measures.

At such meetings the bondholders, if registered, may vote in person or by proxy.

Registration on the Voting Register can be made by any holder at the office or agency of the Company, at the banking house of Winslow, Lanier & Co., where the books are now open for that purpose, on *presentation by the holder of his bonds, or on his filing the written order of the person last registered on the holder.*

A general attendance of the bondholders is earnestly requested, as well to act on the questions aforesaid as to perfect the organization contemplated in Article 12 of the Deeds of Trust.

The meetings of the First and Second Mortgage bondholders will be held separately, but at the same time and place, and the holders of the Third Mortgage Bonds are invited to be present, though their action is not required by the Trust Deeds.

The resolutions adopted at the annual meeting, and the resolution of the Board of Directors requesting a call of the meetings of the bondholders, are subjoined.

SAMUEL J. TILDEN, } and Mortgage Bondholders.

RESOLUTIONS

Recommended by the Board of Directors to the Stockholders for adoption at the Annual Meeting, March 16, 1864.

Resolved, That it is expedient that expenditures for construction, equipment and objects pertinent thereto, involving new capital, should in the main be provided for by an increase of the capital stock of the Company.

Resolved, That the increase of capital stock should be made solely for the purpose of building and completing a double track, or such part thereof as may be expedient, and for equipping the road and providing such additional rolling stock, machinery, appurtenances, and other facilities as may be necessary to properly do all the business which may offer, and for no other purpose, and should only be issued from year to year in such amounts as the Stockholders at their annual meetings may decide upon. Their decision shall be based upon detailed estimates, made by the Board of Directors, of the amount of money necessary for the work of the year, and that the new issue of stock shall only be sold after public notice.

Resolved, That the increase of capital for 1864 shall not exceed $3,500,000.

Resolved, That the Stockholders hereby recommend, and, as far as may be necessary, authorize the Board of Directors to make such agreement or arrangement with the holders of the bonds under the trust deeds as will enable them to increase the capital stock, as indicated in the preceding resolution.

Adopted unanimously by vote of $4,573,000 out of $6,500,000 of stock; $3,729,500 out of $5,250,000 of first mortgage bonds; $2,760,000 out of $3,150,000 of second mortgage bonds; and $1,536,000 out of $2,000,000 of third mortgage bonds, $400,000 not voting because not registered.

Resolution adopted by the Board of Directors this day:

Resolved, That the Trustees under the Mortgages, Samuel J. Tilden and John Ferguson, be and they are hereby requested to call at the earliest moment possible, a meeting of the Bondholders, in the City of New-York, to act upon the resolution adopted by the Stockholders at their annual meeting in the City of Pittsburg, on the 16th day of March, 1864, and to obtain, if possible, the assent of the Bondholders thereto.

MASON & HAMLIN'S CABINET ORGANS, for FAMILIES, CHURCHES, and SCHOOLS.—Recognized by the musical profession as greatly superior to Harmoniums, Melodeons, and all other small organs. [See our illustrated catalogue for explicit testimony to their superiority, from a majority of the most eminent organists in America.] Prices, $45 to $500 each.

CAUTION TO PURCHASERS.—The great reputation which our Cabinet Organs have obtained, and the extensive demand for them, have induced dealers to advertise, in some cases, quite different instruments as Cabinet Organs, and in others to represent to purchasers that Harmoniums and other reed organs are the same thing. This is not true. The excellences of our Cabinet Organs, which have given them their high reputation, are the result not merely of the superiority of their workmanship, but also, in large measure, of essential differences in construction, which, being patented, cannot be imitated by other makers. From these arise their better quality and volume of tone and unrivaled capacity for expression. Warerooms in New-York, No. 7 Mercer-st.

STEINWAY & SONS' GOLD MEDAL GRAND AND SQUARE PIANOS are now considered the best in Europe as well as this country, having received the first Prize Medal at the World's Exhibition in London, 1862. The principal reason why the Steinway Pianos are superior to all others, is that the firm is composed of five practical pianoforte makers (father and four sons), who invent their own improvements, and under whose personal supervision every part of the instrument is manufactured.
