CONSUMPTION! CONSUMPTION!!

DR. WM. HALL'S

BALSAM FOR THE LUNGS,

—FOR THE CURE OF—

CONSUMPTION, DECLINE, ASTHMA, BRONCHITIS, WASTING OF THE FLESH, NIGHT SWEATS, SPITTING BLOOD, WHOOPING COUGH, DIFFICULTY OF BREATHING, —COLDS, COUGHS, INFLUENZA,— PHTHISIC, PAIN IN THE SIDE, AND ALL

DISEASES OF THE CHEST AND LUNGS.

Dr. Hall's Balsam contains no OPIUM, CALOMEL, or any mineral poison, but is composed wholly of those Roots, Herbs and Vegetable substances which have a specific influence upon the lungs and their connected organs. Its IMMEDIATE effect is to allay all irritation and gently remove the phlegm and other morbid secretions from the Throat and Air-Passages, thus relieving the Cough, by removing the accumulation and other causes which give rise to it. It also stimulates and imparts a healthy tone to the Lungs themselves, thereby enabling them more thoroughly to remove from the blood those impurities and diseased particles, which, if retained, do so much mischief in the system, and is, in the foundation for incurable CONSUMPTION. It also exerts a decided action upon the skin, and assists nature in expelling through the Emunctories, much of that morbid matter which would otherwise be thrown back upon the Lungs, thus relieving them of a part of their work, and rendering the system more healthy. When tubercles are forming, it checks their development and further progress; or if ulceration has taken place, it assists the lungs in throwing off the corrupted matter, soothes the irritation, heals the ulcerated cavities, and restores them again to healthy action. This medicine, therefore, is not a palliative merely, which only relieves for the time being, but is a remedy in reality, as it strikes at the very root of the disease, and by removing it, removes at once all its results and attendant consequences. This is the MOST VALUABLE CHARACTERISTIC—a property possessed, in equal power, by no other medicine of like nature, now before the public.

DR. HOOFLAND'S

CELEBRATED GERMAN BITTERS,

PREPARED BY

DR. C. M. JACKSON,

GERMAN MEDICINE STORE,

No. 120, Arch St., 1 door below Sixth, Philada.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and Digestive Glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

TESTIMONY FROM OHIO.

JOHN HOFFMAN, Jeromesville, Ohio, May 30th, 1853 said: "I write to state for your satisfaction, and also for that of others, that your German Bitters is what you recommend it to be, a highly valuable medicine, which I know from having used it in my own family to my entire satisfaction. All who have used it give the same recommendation."

STEPHEN A. MEALY, Canton, Ohio, May 11, 1853, says: "Having heard your German Bitters highly recommended from sources in which I placed much confidence, I ordered four bottles from Cleveland. One of them I gave to my daughter who has derived great benefit from it; two of the others I sold immediately, and I would like you to send me a supply of it to sell."

JOHN CLARK, Brunswick, Ohio, May 26, 1854, says:—"Your German Bitters have proved successful in every case that has come to my knowledge, and has opened for itself a great demand."

THOMAS LAFFERTY, Covington, Ohio, December 27th, 1853, says: "My wife has been affected with the Liver complaint and Dyspepsia for a number of years, during which time I have spent a great deal for doctoring, but she received very little benefit therefrom, and finally the doctors said she could not be cured. Last spring she concluded to try your Bitters, she took two bottles and ever since taking them she has been able to attend to her business, until very lately she had a new attack, but has again commenced the Bitters. I have sold quite a number of bottles through her recommendation, and as far as I can learn, it has given satisfaction to all."

DAVID ASCOTT, Austinburg, Ohio, December 3, 1853, says: Permit me to bear testimony to the remarkable efficacy of your German Bitters in the cure of Liver complaint. For years previous to taking it, I was severely afflicted with disease of the Liver, so much so that I did not expect to live, but by a free use of the Bitters, thanks to a kind Providence, I find myself entirely restored to health and able to resume my usual employment."

These Bitters are entirely vegetable and free from Alcoholic stimulant and all injurious ingredients, mild in their operation, they strengthen the system, never prostrate it.

They are entirely vegetable and free from all injurious ingredients.

Personally appeared THOMAS A. ALEXANDER, Secretary of the Ætna Insurance Company, and made oath that the foregoing statement, by him subscribed, is true according to his knowledge and belief.

HENRY FOWLER, Justice of the Peace.

AUDITOR'S CERTIFICATE.—From William D. Morgan, State Auditor, has been received in due form, legally empowering the undersigned as agent to transact business until 31 July, 1855, and is on file with the Clerk of the Common Pleas Court.

A I that have property to insure, will please inspect and examine the preceding reliable expose of this old and long tried Corporation. For soundness, security and promptitude, it has ever stood first in its line of transactions—and for ability and means will attract the attention of the insuring public to confirm their confidence in it. The statement is so prepared any one can cost at its condition with local and State Insurance offices if so disposed. Its investments are of that solid character as not to be materially affected by the late depression in that class of assets.

The increase of its capital stock to $500,000, is a bona fide cash addition to the strength of the corporation, and a permanent investment for the pledge and security of its policies.

The necessity and real benefits of insurance are well exemplified in the fact the company has paid cash losses during the past year, at its Western Branch office alone, in Cincinnati, to the sum of $246,509 98, most of which has been paid, considerably in advance of the time legally due, and it has had no suit of litigation. If all or any of these facts are inducements to the continuance of its valuable patronage, or its increase, they will find its agents ever ready to attend to the demands of business as heretofore, with promptitude, at as favorable rates and terms, as security to all permits.

D. D. T. COWEN, Agent.
