RUSSIANS ON THE COAST.

ROBBED THEIR PARISHIONERS.

Startling Revelations in Connection with the Burning of a Church.

San Francisco special: Startling revelations in connection with the burning of the Russian church here the other day are coming in from many quarters, and last night B. M. Gonschiritch, a member of the church, who has been fearless enough to assert that he believed the fire was the work of a faction of fiends in human shape who were very anxious to destroy the records of their pifering of the past and the roster of illegitimate children born to certain Russian and Greek families in San Francisco, was set upon by five men one of whom struck him with an iron bar, cutting a deep gash in his chin and nearly breaking his jaw. He had sufficient presence of mind left to fire a shot from his revolver at them while on the ground and the would-be assassins retreated.

The trouble in the church dates back many years. Ten years ago Bishop Kredoivovsky had charge of the diocese. A priest came from Alaska to assist him and two months later sent for one of his many children (illegitimate), a girl. A young Russian fell in love with and married her, and they had been wedded some time ere he found out the secret of her birth, which was a severe blow, for he belonged to an excellent family. He immediately sought an interview with the bishop, who promised to assist in securing a divorce from the synod of St. Petersburg, as a divorce procured in a court would not be recognized by the church.

The priest, father of the newly wedded girl, tried to get the bishop to hush the matter up, and not send the papers to St. Petersburg, but he refused and they quarreled. One night just as the papers were made out ready to be sent Bishop Kredoivovsky was found in a dark alleyway, his head beaten to jelly, and he had been dead several hours. That he was assassinated there can be no doubt, but his murderer or murderers were never prosecuted, and the report to St. Petersburg was that he fell dead on the sidewalk while intoxicated, a base falsehood.

Since that time the church has been split into two or more factions, and it is charged that thousands of dollars received from Alaska and proceeds from property in the hands of the church officials has been squandered in poker playing with women of shady reputation.

It is alleged that to hide from the world their many crimes the church was set on fire, and the end of the troubles is not near. Stories are told of money taken from orphaned children and poor widows who were left on the verge of starvation while the priests of this church were swimming in champagne and eating the best food to be procured.

The Clear-Headedness of Youth.

While the merits of the various blood purifiers are being shown up to the best advantage possible by their several manufacturers, we would suggest to persons feeling the need of such a medicine, that they try a dose of St. Patrick's Pills, and assure them that they will not only be surprised, but delighted with the result. Those who wish to feel the animation, buoyancy and clear-headedness of youth should take St. Patrick's Pills. For sale by H. M. Parchen & Co.

HOME TESTIMONY

HELENA, Oct. 7, 1887.

I was suffering from an unusually bad cough, my lungs were sore and congested, and I consulted one of the best physicians in Helena, whose prescriptions failed to relieve me. I became alarmed, and at the suggestion of a friend purchased a bottle of Acker's English Remedy for coughs, and after taking it according to directions was completely cured. I therefore cheerfully recommend it. JACOB SWITZER.

I had a racking cough and inflamed throat and bought a bottle of Acker's English Remedy upon the recommendation of a friend, and was entirely cured by it. I consider it a never failing remedy for a cough. J. FELDBERG.

Acker's English preparations are for sale in Helena only by R. S. Hale & Co.

Many young ladies are ruining their complexion by the continued use of cosmetics and so called face washes. The greater number of these preparations contain mineral poisons, that in time, shrivel up the skin and give the appearance of dissipation and old age. Dutard's Specific is not a paint, but a great beautifier, in as much as it removes all blemishes from the skin, instead of covering them. It cures chapped hands with one application. Sold by R. S. Hale & Co., wholesale and retail agents, Helena.

An Expression of Delight.

"About a week ago," says a Los Angeles, Cal., druggist, "a Chinaman came in with a lame shoulder. I sold him a bottle of Chamberlain's Pain Balm and guaranteed that it would cure him. He came in again last night, and as soon as he got inside the door began to swing his arms over his head like an Indian club swinger. I thought the blamed fool had a fit, but he finally stopped long enough to say: "Medicine velly fine, velly fine; alle same make me feel plenty good." Chamberlain's Pain Balm is without an equal for sprains, rheumatism, aches, pains or lame back. For sale by H. M. Parchen & Co.

Do you ever have pains in the back and loins? If you do, attend to them now, don't wait, delays are dangerous. Nip the disease in the bud and save your health and doctor's bill. A few doses will prevent Bright's Disease and insure you health, comfort and happiness. Sold by R. S. Hale & Co., wholesale and retail agents, Helena.

Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by R. S. Hale & Co.

"It's only a question of time," and a short time, too, as to when your rheumatism will yield to Hood's Sarsaparilla.

Gilt edge dressing never injures the finest shoe. Acme polish beats the world for brilliancy, one shine wears a week. Sold at Fred Gamer's.
