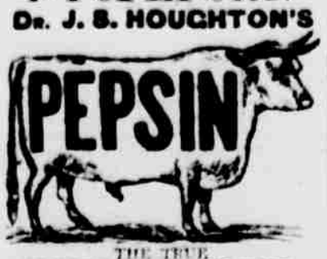
Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the Clerk's Office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder!

GREAT CURE FOR

DYSPEPSIA!

Dr. J. S. HOUGHTON'S



THE TRUE

DIGESTIVE FLUID,

OR, GASTRIC JUICE.

Prepared from RENNET by the SAME PROCESS OF DIGESTION after the manner of ROGER'S LIBRIN, as described by Dunglison, by J. S. HOUGHTON M. D. Philadelphia, Pa.

DYSPEPSIA (SO MUCH DREADED) LIVER COMPLAINT, CONSTIPATION AND DEBILITY, Cannot what Nature requires, nothing but Nature's own Agent can do the work.

PEPSIN is the most perfect substitute for Gastric Juice—the secretion of the Digestive Organs, and possesses the same properties and performs the same functions in the digestion of food as the gastric juice secreted from the Stomach. It is the only scientific evidence upon which it is based, is to the Medical profession curious and remarkable.

SCIENTIFIC EVIDENCE.

DR. PAYKEN in his celebrated work on Animal Chemistry says: An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf in which various articles of food as meat and eggs will be softened, changed and dissolved, in the same manner as they would be in the human stomach.

DR. COMB, in his valuable writings on the Physiology of Digestion, observes that a disruption of the gastric Juice is a common cause of prevailing cases of Dyspepsia, and he stated that a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding no other relief, had recourse to the Gastric Juice obtained from the stomachs of living animals, which proved completely successful.

DR. CORDAN, author of the Science works on Vegetable Diet, says: Been remarkable fact in physiology that the animal and vegetable matter in water, impart to the fluid the properties of the gastric juice, and not only digesting a kind of artificial digestion of them in no way different from the natural digestive process.

☞ Call on the Agent and get a dissertation on the gastric juice giving a large amount of Scientific Evidence similar to the above, together with reports of remarkable Cures from all parts of the United States.

AS A DYSPEPSIA CURER

Dr. HOUGHTON'S Pepsin has produced the most astonishing effects in cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is unequaled to cure the debility of cases in the Dyspepsia and the affections of the Liver, Stomach and Bowels, and the Digestive Organs, after a long sickness. Also for excessive eating and the too free use of ardent spirits. It almost reconciles health with intemperance.

OLD STOMACH COMPLAINTS.

There is no form of Old Stomach Complaints which it does not cure, to reach and remove at once. No matter how bad, it may be, it gives instant relief. A single dose removes all the unpleasant symptoms, and it only needs to be repeated for a short time to make these good effects permanent. PURITY OF BLOOD and VIGOR OF BODY follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, Low collapsed of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, Nervousness, Costiveness.

Dr. HOUGHTON'S PEPSIN is sold by nearly all the dealers in fine drugs and popular medicines throughout the United States. It is prepared in Powder and Fluid form—and on Prescription vials for the use of Physicians.

Private Directions for the use of Physicians are contained by Dr. Houghton or his Agents describing the whole process of preparation and claims the attention upon which the claims of this new remedy are based. As it is not a secret remedy no objection can be raised against its use by Physicians respectable standing and regular practice.

Price ONE DOLLAR per bottle.

☞ OBSERVE THIS—None genuine without the signature of J. S. HOUGHTON M. D. wrapper. Philadelphia, Pa. Copyright and Trade Mark secured.

☞ Sold by all druggists and dealers in medicines.

Dental Notice For 1852.

THE Subscriber flatters himself that the success which has crowned his

OPERATIONS ON THE TEETH

during a residence of eight years in this village is not unknown to a majority of the inhabitants of Windsor County. He thinks too that he has not only kept up with the progress of improvement in his profession, but humbly believes that he has assisted materially in its advancement. During the past year, he has constructed

Sixteen Whole Sets of Artificial Teeth

besides numerous smaller pieces. Every material used is of the very purest quality ever employed by Dentists.

Persons in need of any Dental Operation whatever, are assured that it will be done by the subscriber equal to any performance in the cities; and he requests those unacquainted with his work to address him by mail, when he will give them references as near their own residence as possible.

Many of the whole sets made by him the past year will stand a downward pull of 25 lbs without starting from the jaws. Even a *single tooth* is now set up in the atmospheric principle with success.

A GOOD OFFER

All persons residing at a greater distance than ten miles from this village coming to the subscriber for any dental operations whatever are informed that a discount of five per cent will be made to them on the amount of their bill.

All residing more than twenty miles from Windsor will be allowed a discount of eight per cent.

All more than thirty miles distant ten per cent.

This offer is made because the subscriber has determined to discontinue his professional visits to other towns. His great increase of business compels him to this course, and he hopes it will be as much for the benefit of his patients generally, as for himself. Only therefore on looking him hereafter.

ALWAYS AT HOME.

Persons at a distance can be treated to make a short visit, by sending to the various places, and their chance

BLOOD PURIFIER

IN THE WHOLE WORLD

☞ *Price $1 per Bottle, or Six Bottles for $5.*

It is now put up in QUART BOTTLES, of the same power and medical efficacy as when in small bottles. Each *Large* bottle contains SIXTY-FOUR DOSES, and the medicinal doses are Strongly Concentrated that only One *Tablespoonful* is required at a Dose—three times a day—thus one bottle lasts Twenty-Nine Days, which is much longer than a bottle of any other medicine lasts, because there is required of this a less quantity at a dose.

The great *Superiority* of this Blood Purifier over all other medicines, consists in a great measure in its possessing as a part of its composition, the powerful Medical Virtues of some Scarce and Rare

make this Vegetable Extract, not only the *greatest* Blood Purifier, but also, a *cheaper medicine* by great odds than any other. S. P. TOWNSEND'S COMPOUND EXTRACT

SARSAPARILLA

THE WONDER

AND

BLESSING OF THE AGE.

The most extraordinary Medicine in the World!!

This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening, or debilitating the system.

We have manufactured 1,500,000 bottles of Sarsaparilla during the past year, and are now putting up at least 500 bottles per day, using more of the Sarsaparilla root in one month than all the other manufacturers of Sarsaparilla in one year. Dr. S. P. Townsend's Sarsaparilla is warranted to keep for any length of time in all climates. This Extract has cured more of the following diseases than all the other advertised medicines together have done. Scrofula, or King's Evil, obstinate Cutaneous Eruptions, Pimples or Pustules on the face, Blotches, Biles, chronic sore Eyes, Ring Worm or Tetter, Scald Head, enlargement and pain of the bones and joints, stubborn Ulcers, Syphilitic Disorders, Lumbago Saltrheum, and all humors arising from an injudicious use of Mercury, Ascites, or Dropsy, exposure, or imprudence in life. It invariably cures Rheumatism, Indigestion or Dyspepsia, Neuralgia, general and nervous Debility, Palpitation of the Heart, Liver Complaint and Inflammation of the Kidneys. Ladies of pale complexion and menstrative habits and such as are debilitated by those obstructions which females are liable to, are restored, by the use of a bottle or two, to bloom and vigor.

For an short of diseases mentioned above, as cured by this preparation of Sarsaparilla, may seem large; but we can, nevertheless, prepared to prove, by an extensive array of certificates, that such is the fact. A portion of the evidence which we possess concerning such diseases, would be received by any judicial tribunal as complete demonstration. It must be remembered that all this rightful array of maladies, though covering in an endless variety of forms, and yet all similar in their origin and causes, for they all evince heavy or in directly from a corrupt fountain. If the blood were in a pure, healthy and active state it would drive all these complaints from the system and no such disease would be impossible.

THE FACTORY.

The immense and increasing demand for Dr. S. P. Townsend's extract sarsaparilla has made it necessary very much to enlarge the operations of our manufacture. Medicinal substances are used in incredible quantities, and each ingredient requires to be carefully and accurately tested, the proprietors have found it necessary to place the Compounding Department in charge of a competent and responsible Chemist—one whose scientific reputation will be a full guarantee of public confidence. Dr. JAMES R. CHILTON has assumed this duty.

CAUTION.

To avoid imposition it will be necessary to see that Dr. JAMES R. CHILTON'S CERTIFICATE as well as the signature of Dr S. P. Townsend, is on the outside wrapper of each bottle.

VERY REMARKABLE.—An intelligent farmer in the town of Lewiston, related some time since a remarkable account of the cure of a fine horse, which, in the act of ploughing, caught his foot in a root, and tore it partly off. He immediately cleared out the dirt, and applied G. W. Merchant's celebrated Gargling Oil, replaced the hoof, bandaged it up tight, soaked it occasionally with the Oil, and in two weeks he was able to use the horse.

Copy of a letter from C. L. Safford, Esq.

DEAR MERCHANT—Dear Sir—One of my horses having a *Windgall* or long standing, which had become callous, and which I supposed from the many remedies used by me, was past cure—I was induced to try your "Gargling Oil," which with the use of two bottles, entirely effected a cure. I therefore consider it one of the best medicines that can be used for horses. Truly yours,

Lockport, Jan. 20, 1851. C. L. SAFFORD.

From Mr. J. Sternberg, superintendent of the canal commissioner's stable.

This may certify that I have been in the habit of using Mr. Merchant's Gargling Oil, and find it to be one of the best applications that I have ever made use of. I have had the charge of from forty to fifty horses for the last eight months, and have made use of a number of bottles to my entire satisfaction.

Lockport, Jan 11, 1851. J. STERNBERG

Don't be persuaded to take any thing else with the promise it is just as good, &c. This is practiced by those unprincipled dealers, whose conscience will stretch like India Rubber, and who are of a kindred spirit, of those in our large cities, whose nefarious practices have so recently been exposed to the action of Congress.

Be sure the name of the Sole Proprietor GEO. W. MERCHANT, Lockport, N. Y., is blown in the side of the bottle and in his handwriting over the cork.

All orders addressed to the proprietor will be promptly responded to.

Get a Pamphlet of the Agent, and see what wonders are accomplished by the use of this medicine.

Sold by respectable dealers generally in the United States and Canada.
