CAREY'S

CATHARTIC CANDIES

A SAFE, RELIABLE AND

THOROUGH FAMILY PHYSIC

NEVER, since the dawn of civilization, has there been recorded such an improvement in medical science as that inaugurated by the discovery of

CAREY'S CATHARTIC CANDIES.

The days of disgusting and dangerous pills, made of mercury and aloes, of nauseous salts and senna, of sick julap and rhubarb powders, are now numbered, a new era opens up; the medicinal properties of the rare and most expensive drugs have been, by a process known only to Doctor Carey, chemically separated from such useless particles, every vestige of smell and taste removed, and made into the form of delicious candies. There is no longer a necessity for parents forcing themselves or their children to swallow and struggle with loathsome-tasting physic.

CAREY'S CATHARTIC CANDIES

Have valuable medical properties that no pills or powders ever can possess. They can be given to those with the most delicate stomachs, without the slightest knowledge that they are taking physic; they are not to be swallowed whole, being the same to the centre that they are on the outside; place one in the mouth before retiring for the night, allow it to dissolve slowly away, its taste will be found delicious, while there are a variety of flavors to suit every palate. For all disease originating in the Stomach, the Bowels, the Liver, or the Kidneys, there has never been a medicine in existence that could equal them. They are guaranteed not to contain a single particle of Mercury or other mineral or corrosive substance, and can be given to the weakest infant with perfect safety. Their penetrating properties cleanse and invigorate every portion of the human body, correcting its diseased action and restoring its health, strength and vigor. Their effect upon the blood is to purify it from all unhealthy humors, and to infuse into it a new life and richness that will cause the oldest and most aggravated complaints to speedily and permanently disappear. Subjoined is the certificate of the celebrated chemist, Mr. V. S. HULTON, the highest authority in the United States, who has carefully examined and thoroughly tested the properties and value of the Candies. Hear what he says regarding them:

New York, Jan. 31, 1862.

Mr. GEO. C. BARCLAY,

Proprietor of Carey's Cathartic Candies:

DEAR SIR.—I have analyzed and tested critically your Carey's Cathartic Candies, which I hereby certify to be a safe and very efficacious physic. They do not contain any mineral or corrosive substance, and may be administered to invalids or children without fear. I consider them to be a very important discovery, and one which is of the greatest value to the community at large. I am, &c.,

V. S. HULTON, Analytical Chemist.

SICKLY FEMALES

Should lose no time in trying a few doses of this regulating and removing remedy; whatever may be their complaint, it can be taken with safety in all periodical and other disorganizations, its effect is all but miraculous.

UNREFUTED PROOF.

The testimony of Nations is unanimously borne to the health giving virtues of his noble remedy, and certificates in every living language bear witness to the REMARKABLENESS of their INTRINSIC WORTH.
