Advertisements,

McAlister's All-Healing Ointment.

It is not often that we allow ourselves to speak in praise of any of the patent medicines of the day, but owing to the many testimonials of praise that we hear daily concerning McAlister's All-Healing Ointment, we must needs say that for ourselves we have never used or seen a medicine as in name so applicable as this medicine. It is indeed truly astonishing to see what virtue is imparted in so simple yet powerful a remedy. For burns, bruises, scalds all diseases of the skin, and inflammations we believe it has no equal. Call and get a pamphlet in the hands of agents.

Woolen Factory!

Sandusky County, Ohio.

Weaving and Cloth-Dressing done in all styles and colors, superior to any thing in the State.

THE subscriber finding that Wool had risen in price beyond the manufactured Goods intends to stop the manufacture of woolen goods and turn all the hands and machinery at custom work, such as weaving Cassimers, Cloths, Satinetts, Linseys, Flannels, and Coloring and Dressing customers' cloths, in all their various styles, superior to any thing heretofore attempted.

He has erected a drying house 100 feet in length, capable of drying 200 yards of cloth per day, besides the out door bars. He uses falling stocks to full with, and other machinery sufficient to finish 300 yards of cloth per day. The machinery and hands will all be employed in weaving and dressing cloth for customers during the season. He has all the different machines for dressing cloths

That are used in New England Factories,

such as Napping, Teasoling Shearing and Brushing Machines, which were bought in Wooster, Massachusetts, and are in the best of order. The workmen employed in his Manufactory, have served a regular apprenticeship in Massachusetts, and worked in the above business from 5 to 20 years. And, with his early and long experience in the manufacturing business, and by strict personal attention to the same, hopes to receive a liberal share of the public patronage.

He has the FRENCH METHOD of Coloring and uses no Copperas or Vitriol, knowing the same to be injurious to the cloth.

He will warrant all of his work, both as to manufacture, colors and finish.

Prices per yard for finishing—Cloths 1s 6d; Cassimers 1s 6d; Flannels 1s; Satinetts 14c; Linseys 1s; to full 5c.

Prices for weaving on Power Loom—Cloths five quarters wide 8c; Cassimers five quarters wide 10c: Flannels four quarters wide 7c.

Prices per yard for weaving and finding Chain—Satinetts 15c; Linseys 1s.

All the cloths woven will be returned as they leave the loom, or finished at the above prices as customers may direct.

He has made Arrangements

with the following persons at the places mentioned, to receive yarns and cloth, and deliver the same when returned. All yarns and cloth left with these persons will be taken and returned every two weeks throughout the season;
