Of "THE LAMPLIGHTER."

HAUNTED HEARTS,
The new book by the same author, is called by the best critics
VASTLY SUPERIOR TO IT
IN LITERARY MERIT.
IN PLOT, and
GENERAL INTEREST.
It is predicted that the sale of
HAUNTED HEARTS
Will far exceed that of the famous story
"THE LAMPLIGHTER."
The interest of the new book begins with the first Chapter, and is kept up through its five or six hundred pages.

A Boston paper says:
"Haunted Hearts, the new novel, is spoken highly of, and placed by prominent critics above The Lamplighter, by the same author. The Springfield Republican, one of the best journals in the country, says that Haunted Hearts is a straightforward, vigorous story, with a few marked characters clearly and forcibly drawn. They make some two columns of extracts."

Sold by all principal Booksellers, and by prominent Newsdealers.

NEW SKIRT FOR 1864.
A NEW AND GREAT INVENTION IN
HOOP SKIRTS.
THE DUPLEX ELLIPTIC (OR DOUBLE) STEEL SPRING.
J. I. & J. O. WEST,
NO. 97 CHAMBERS-ST., NEW-YORK,
are the owners of the Patent and Exclusive Manufacture of this
J. W. BRADLEY'S
PATENTED "DUPLEX ELLIPTIC" STEEL SPRING SKIRT.
This invention consists of Duplex (or two) Elliptic Steel Springs ingeniously braided tightly and firmly together, edge to edge, making the toughest, most elastic, flexible and durable spring ever used, enabling the wearer in consequence of its great elasticity and flexibleness to place and seat the skirt when in use as easily and with the same convenience as a silk or muslin dress. It entirely obviates and silences the only objections to Hoop Skirts, viz: the annoyance to the wearer as well as the public, especially in crowded assemblies, carriages, railroad cars, church pews, or in any crowded place from the difficulty of contracting them and occupying a small space; this entirely removes the difficulty, while giving the skirt the usual full and symmetrical form, and is the lightest and most stylish and graceful appearance for the street, opera, promenade or house dress. A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Spring Skirt for a single day, will never afterward willingly dispense with the use of them. They are the best quality in every part, by far the lightest, most durable, comfortable and economical Skirt made. Merchants will be supplied as above, and ladies in most first-class retail stores in this city and throughout the different States.
