The body of Oscar Hurst, who was drowned in the Missouri river at Kismet during the flood was brought to Glasgow and an inquest held by Dr. Getty last Tuesday. Mr. Hurst was a resident of Hinsdale, but owned a store at Kismet, where he was attending to business at the time he met his death. The rapid rise in the river at Kismet on the 9th, caused the water to overflow the banks of the stream, which soon reached the store and covered the floor to a depth of three or four feet. Mr. Hurst gathered together what money and books he had, put them in a sack and in company with another young man started for the ferry boat nearby, but they soon got into water where swimming was necessary, and as Hurst could not swim he became panic stricken and was drowned. His companion did all he could to assist Hurst, but to no avail and hardly escaped with his own life. Hurst's body was not recovered until last Sunday.—Glasgow Review.

Second Annual CLEARANCE SALE

FIRE, SMOKE AND WATER backed by the sheriff could not make prices we do for the next Thirty Days. Come join the processions and partake of thousands of bargains that await here for you.

$10.000 Worth of Highest Grade Merchandise is Going to be Sold

FOR THIRTY DAYS, commencing Friday June 26th, WE DO THE BATTLE OF OUR LIVES to unload this big merchandise stock that will wake up the people in all parts of the country.

30 DAYS — We Are Going to do the Battle of our Lives — 30 DAYS

We are going to do battle for the masses and not the classes. THIRTY DAYS we want to make this the greatest Trade Increasing & Cash Getting Carnival that ever appeared within the history of this country, for with us it is cold cash we want and musthave it quick. All former attempts at merchandising by us or any other concern, within 50 miles of this city, will be eclipsed beyond all question.

The City will be in a Stir as never Before. A hustle and bustle throughout the entire big store that will wake mortal man from his slumbers and make competition howl until you can hear them for blocks around. It will be a wondeaful gathering of the people. We want cash and we are going to give the people the benefit. We will raise the roof if it will be necessary. IT WILL BE A HOT TIME IN THE OLD TOWN NOW. We are going to pour shot and shell into the enemies' camp, until they will think they are once more storming Port Arthur. Therewill be cannonading all along the line, for with us it is cut loose and unload now, not later. Our loss will be the people's gain and we expect them for fifty miles around to turn out to this harvest for all the people and not the favored few.

LADIES' FURNISHINGS

of all kinds that was ever in this city, and we believe you know it. There are hundreds of articles including Muslin Underwear, Summer Underwear, Gloves, Belts, Hose Supporters, Hand Bags, Purses, Handkerchiefs, Fancy Neckwear. Perfumes of all kinds and Toilet Articles, Kimonas, Ribbons, Dressing Saques, Fancy Combs, Collars, etc., etc., and they will cost you less money than other fellows get for what they have been carrying for the past two to ten years.

GREATING CORSET EXCITEMENT

Squeezing Corset Prices. Such prices as we make for the next Thirty Days will do the work, for certainly no sane person will pay twice the prices elsewhere that we ask them for the same quality.

MILLINERY! MILLINERY!

To describe the rare beauty and exclusiveness of our suberb hats would be rather a difficult undertaking. Nothing will more vividly convey the advantages in this section at this particular season than a visit to our charming appointed millinery Department. There is a something, just right, about the Malta D. G. Co's. Millinery that is strikingly impressive, a consistency of daintiness which will strike a responsive chord with discriminating women of today. It is most interesting to review our stunningly varied profusion of colors and shapes, and note the unique manner in which we have anticipated the requirements of the season. There is an evidence of all these subtle little touches which commend themselves to the smart dresser.

CALICOES AND GINGHAMS

will be cheaper than dirt is elsewhere. With us it is Cash we want, and we want it good and plenty.

SLASH--SMASH--BANG!!! GO PRICES ON LACE CURTAINS

No sentiment is attached to our Lace Curtain business. The most beautifull Lace Curtains in our collection are to us simply pieces of Merchandice, bought at so much, to be sold plus our usual low percentage of profit. It may be worth hundreds of dollars in the eyes of the connoisseur, but this dosen't tempt us to mark it higher than what we consider a fair price based on its cost. This is why you'll find our Lace Curtains so low in price. We buy them direct from the manufacturer. Don't torget to ask our salesmen to show you our Lace Curtain department the next time you are in our store.

TABLE LINEN TIPS

If a factory in Ireland had failed and given us these goods, we couldn't sell them cheaper. Buy your linen supplies now, for you'll not be able to buy them so low again.

ALL HOSIERY CUT TO THE QUICK.

Rain or Shine the Battle Goes On

We have put our word out to the people and you know how well we have kedt it. Our word to you will be our bond and here is not one item in this house, or half a dozen, going to be put out for bait as you will find plenty trying to do, but over 25,000 items, all at a price that never met mortal man's eyes before. From one end of this big store to the other you will find the greatest fluttering of red tickets, with the price of destruction marked on them and staring you in the face, no matter which door you come in.

The Whole Shooting Match Goes to the People

We want to do ten times the business of our lives, because we want Cash. We expect multitudes standing in line, and your share will be here for you We have put on several extra sales-people, and no matter whether the sun shines or whether it is raining, it will pay you to gather up your gum coats, mackintoshes, and umbrellas and come down and see the greatest display of merchandise, sold for the least money, that ever appeared in your eyes, or any other person's eyes since you were born. Not ond item will be held in reserve. You will see signs and you will hear signs of these war priced merchants, but they will only be signs of distress. We know it is an IMMENSE UNDERTAKING and while other merchants tell you that The Malta Dry Goods Co., is losing thousands of dollars in order to make this Carnival a suecess, that we cannot help. We are not trying to run their business, neither do we expect them to run ours. We are going out after the cold cash, and we are coming out and ask you to part with it at a season of the year when all men expect to make their 20 and 100 per cent profit, but with us profit is a thing of the past. Wholesale prices and less reign throughout this big institution on many lines.

When you Trade at the Malta Dry Goods Company for Cash

There is a satisfaction in dealing that way. We have but one price to all and that is the LOWEST CASH PRICE.
