DUBUQUE AND SIOUX CITY RAILROAD FIRST MORTGAGE SEVEN PER CENT BONDS.—We offer for sale $300,000 of the First Mortgage (Second Division) Bonds of this Company. The Bonds have 30 years to run, and bear 7 per cent interest, payable semi-annually in New-York. They are part of an issue of $600,000, which are secured by a mortgage on 44 miles of road running from Cedar Falls to Iowa Falls, now under contract and to be completed this Fall.

The Dubuque and Sioux City Railroad has been completed and in successful operation from Dubuque to Cedar Falls, a distance of about 100 miles, for several years. The debt on this 100 miles is represented by $300,000 First Mortgage Bonds, $2,500,000 of Preferred Stock, and about $1,000,000 of Common Stock. The Bonds now offered for sale are issued by and with the consent of three-fourths in interest of the Preferred Stockholders, as required by the articles of incorporation. The total annual interest on all the Bonds of the Company is therefore but $67,200, guaranteed by the earnings of 144 miles of road. The contract for building the extension of 44 miles was made on most favorable terms, and the materials and equipments secured before the late great advance in prices.

The Company has a valuable land grant of 3,840 acres per mile.

$300,000 of the Bonds have been subscribed for by Stockholders of the Company, and the balance are now offered to the public on favorable terms.

For further particulars, apply to

A deposit of 5 per cent on the amount subscribed will be required as guaranty for the faithful performance of the proposals to be applied on account of the purchase, or be returned to unsuccessful bidders.

No bid will be accepted at less than the par value of the bonds, and full payment in funds current in New-York will be required within fifteen days after notice of the award. Interest will be allowed and paid on all payments from the date thereof until the first day of October, 1864.
