I.

BY PRESIDENT WOLSEY.

INTRODUCTION TO THE STUDY OF INTERNATIONAL LAW.

DESIGNED AS AN AID IN TEACHING, AND IN HISTORICAL STUDIES. By T. D. WOOLSEY, LL. D. In 1 vol., octavo. $3 50.

The work has an historical rather than a legal cast, and was intended, as its title indicates, for the student of history and of civilization. It is, however, a complete exhibition of the science, and on some points, as the laws and usages of war, fuller than the treatises designed expressly for the lawyer and statesman.

It touches very fully in some points of the science which the present war has brought up.

II.

ANCIENT LAW.

ITS CONNECTION WITH THE EARLY HISTORY OF SOCIETY, AND ITS RELATION TO MODERN IDEAS. By HENRY SUMNER MAINE, with an introduction by THEODORE W. DWIGHT. 1 vol., 8vo. $3 50.

The Westminster Review says:

"It is history read from the point of law, and law studied by the light of history. It is, consequently, a book that addresses itself as much to the general student as to the lawyer."

MRS. HENRY WOOD'S NEW NOVEL.

THE HAUNTED TOWER.
THE HAUNTED TOWER.
BY
MRS. HENRY WOOD,

Author of "The Earl's Heirs," "The Mystery," "The Lost Bank Note," "The Runaway Match," "A Life's Secret," "The Channings," "Verner's Pride," "Squire Trevlyn's Heir," "Foggy Night at Offord," "William Allair" "The Castle's Heir," "Shadow of Ashlydyat."

THE HATNTED TOWER, BY MRS. HENRY WOOD. No higher compliment can be paid to any novel than to say that it excited a breathless and absorbing interest. And in this respect we say that "The Haunted Tower" is a book of very great interest and power. It is an exciting novel, and carries the reader's attention to the end, by enchaining the attention and making the hours of perusal pass swiftly and pleasantly—by perfectly allowable means. And in doing so, no little constructive power is displayed by its author, who exhibits also considerable knowledge of manners and character, and a more than ordinary degree of skill and grace in description, which is discernible in all of Mrs. Wood's writings.

THE HAUNTED TOWER is one of her best and most interesting stories, and that is saying enough to put all her numerous admirers on the qui vive.
