Proposals.

Office of Asst. Commissary-Gen. of Subsistence, No. 4 State-St., N. Y., Sept. 26, 1864.
ARMY SUPPLIES.—Sealed Proposals (in duplicate) will be received by the undersigned, until 4 o'clock p. m., on Friday, the 30th instant, for supplying, for the use of the United States Army, SUBSISTENCE STORES, to be delivered in New-York or Brooklyn, as follows, viz.:
20,000 pounds first quality SPLIT PEAS, to be packed in suitable barrels.
17,400 GALLONS of the best quality of PURE VINEGAR, made only from Cider or Whisky, free from all foreign acids and injurious substances, and of a uniform strength, the Whisky Vinegar taking thirty-five grains bi-carbonate of potash to neutralize the ounce troy, the Cider Vinegar as near the same strength as may be; to be put up in half barrels of 32 gallons capacity, like samples at this office. Each proposal must state distinctly the kind and quality of Vinegar offered and the kind of package.
2,000 gallons good MOLASSES or SYRUP, in barrels or cypress half-barrels with pine heads, and at least four iron hoops.
10,000 gallons of superior BOURBON WHISKY; barrels to be of good seasoned white oak staves and heads; to have twelve wooden and four strong iron hoops, heads and iron hoops painted. Returns required from a gauger and inspector, to be named by the undersigned.
30,000 gallons of RECTIFIED WHISKY, to be full first proof, according to the United States Custom-house standard. Barrels to be of good seasoned white oak staves and heads; to have twelve wood and four strong iron hoops, heads and iron hoops painted. Returns required as above.
100 barrels of "C" SUGAR; barrels to be new and of the best in use for the purpose, and to be full headlined.
POTATOES—Such quantities as may be required during the month of October, 1864, 60 pounds to the bushel, in good ordinary well-cooped barrels.
ONIONS—Such quantities as may be required during the month of October, 1864, 60 pounds to the bushel, in barrels as above.
The goods to be furnished as soon as practicable; bidders are requested to state the time when they can deliver.
Separate proposals, *in duplicate*, must be made for each article enumerated, and bidders may propose for the whole or any part of each.
Samples of all the articles must be delivered with the proposals, and referred to therein.
A printed copy of this advertisement must be attached to each proposal, and the proposals must be specific in complying precisely with all the terms. Each bid, to have consideration, must contain the written guaranty of two responsible names, as follows:
"We, the undersigned, hereby guaranty that should all or any part of the above bid be accepted it shall be duly fulfilled according to its true purport and conditions; also, that a written contract, with bonds to the amount of one-fourth the value of the stores proposed to be furnished, shall be executed, if required."
The seller's name, place of business, and the date of purchase, as well as the name of contents with weight, gross and tare, and shipping marks to be hereafter designated, must be plainly marked on every package. All other old marks must be obliterated.
All the stores will be carefully inspected before their delivery, and compared with the rejected samples. Returns of weights, signed by a professional Public Weigher, must be furnished whenever required.
Payment, as hereafter, to be made in such funds as may be furnished by the United States.
Contractors are expected to hold their goods, without expense to the United States, until required for shipment.
Blanks for Proposals will be furnished at this office, which must be inclosed in an envelope addressed to the undersigned, and indorsed "Proposals for Subsistence Stores."
H. E. CLARKE,
Colonel, A. D. C. and A. C. G. S.

Treasury Department, August 26, 1864.
PROPOSALS FOR ERECTING THE CUSTOM HOUSE AT PORTLAND, MAINE.—Proposals will be received at this Department until the 20th of September, 1864, at 12 o'clock noon, for the construction of the Custom House authorized to be erected at Portland, Me., according to the plans and specifications prepared at this Department; said proposals to be either for the whole building, or separate for different kinds of work; the Department reserving the right to reject or accept the proposals hereby invited, or any part thereof, where it deems the interest of the United States requires it; the Department also reserving the right to exclude the bid of any person or persons, whom there is just cause to believe will not faithfully perform the contract. Also all bids that upon investigation are below a fair price for the work.
Bids will not be received for less than a gross, and the Department having prepared a schedule of the approximate quantities of each kind of work and material required, (which schedule may be had at the office of the Supervising Architect, Treasury Department), the bidder will be required to affix the prices thereto for such articles and kind of work as he proposes to bid for, and then carry the whole out in one gross amount.
Ninety per cent. of the amount of the work done and material delivered according to contract price, (said amount to be ascertained by the estimate of an Agent of the Department appointed for that purpose) will be paid from time to time as the work progresses, and ten per cent. retained until the completion of the contract, and acceptance of the work by the Agent aforesaid, and be forfeited in the event of the non-fulfillment of the contract.
Contracts will be awarded only to Master Builders and Mechanics, and the assignment of the contract, except by consent of the Secretary of the Treasury, will be a forfeiture of the same.
Each proposal must be accompanied by a guarantee, signed by two responsible persons, (verified to be so by the United States District Judge, or Attorney of said District), in the sum of $5,000 for the whole work, or of a proportionate amount if for any part, that the bidder will, when required, if his proposal be accepted, enter into a contract and bond, with sufficient securities for its faithful performance.
Forms of the bond and certificate required; also the plans, specifications and working drawings will be furnished on application to the Supervising Architect of the Department.
No bid will be considered, unless it fully complies in all its details with the requirements of this advertisement.
The Proposals must be sent to this Department, addressed to Isaiah Rogers, Supervising Architect, and plainly endorsed: "Proposals for the Portland Custom House."
Proposals will also be received at the same time for the old Custom House building and materials thereon, (the four granite columns on Fore-street excepted) to be removed within sixty (60) days from date of the award, and in case the sale of the same be awarded to the successful bidder for the new Custom House, the amount of same will be taken as part payment of his contract.
ISAIAH ROGERS, Supervising Architect.
The time for receiving the above proposals has been extended to Oct. 1, 1864.
ISAIAH ROGERS,
Supervising Architect.

NEW SKIRT FOR 1864.
A NEW AND GREAT INVENTION IN
HOOP SKIRTS.
THE DUPLEX ELLIPTIC (OR DOUBLE) STEEL SPRING.
J. L. & J. O. WEST,
NO. 97 CHAMBERS-ST., NEW-YORK,
are the owners of the Patent and Exclusive Manufacturers of this
J. W. BRADLEY'S
PATENTED "DUPLEX ELLIPTIC" STEEL SPRING SKIRT,
This invention consists of Duplex (or two) Elliptic Steel Springs ingeniously braided tightly and firmly together, edge to edge, making the toughest, most elastic, flexible and durable Spring ever used, enabling the wearer in consequence of its great elasticity and flexibleness to place and fold the skirt when in use as easily and with the same convenience as a silk or muslin dress. It entirely obviates and silences the only objections to Hoop Skirts, viz: the annoyance to the wearer as well as the public, especially in crowded assemblies, carriages, railroad cars, church pews, or in any crowded place from the difficulty of contracting them and occupying a small space; this entirely removes the difficulty, while giving the skirt the usual full and symmetrical form, and is the lightest and most stylish and graceful appearance for the street, opera, promenade or house dress. A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Spring Skirt for a single day, will never afterward willingly dispense with the use of them. They are the best quality in every part, by far the lightest, most durable, comfortable and economical Skirt made. Merchants will be supplied as above, and ladies in most first-class retail stores in this city and throughout the different States.
