HALE'S HONEY OF HOREHOUND AND TAR,
For the Cure of
Coughs, Colds, Influenza, Hoarseness, Difficult Breathing, and all Affections of the Throat, Bronchial Tubes, and Lungs, leading to Consumption.
This sovereign remedy is compounded from the favorite recipe of an illustrious Physician and Chemist, who for many years used it with the most complete success in his extensive private practice.
He had long been profoundly impressed with the wonderful virtue of the honey of the plant Herehound, in union with the CLEANSING and HEALING properties of tar extracted from the LIFE PRINCIPLE of the forest tree *Abies Balsamea* or Balm of Gilead. For years he was baffled in his attempts to blend these great medicinal forces into such a union that the original power of each would be preserved, the disagreeable qualities of common tar removed, and the price of the compound be within the means of all. At last, after a long course of difficult chemical experiments, he found that by adding to these *five* other ingredients, each one valuable by itself, he not only obtained the desired results, but greatly increased the curative power of the compound. This having been thoroughly tested by practice, is now offered to the general public as a safe, pleasant and infallible remedy.
PRICE 50 CENTS PER BOTTLE.
For sale by all Druggists.

Convention and Mass Meeting of the DEMOCRACY OPPOSED TO THE CHICAGO PLATFORM.—All of Democratic faith who retain their respect for the manhood and patriotism which animated the Democratic party in the days of Jackson; who will not consent that the cherished name and principles of that party be dishonored; who cannot endure the shame of seeing their country's flag lowered to a lottering foe ever ready to trample it in the dust; who deny that the American Democracy was fairly represented at Chicago by the few, who, by threats of North-Western revolt, forced upon the Convention the degrading concession that "THE WAR," so nobly fought by our brave army and navy, "WAS A FAILURE, AND THAT JUSTICE, HUMANITY, LIBERTY, AND THE PUBLIC WELFARE DEMAND THAT IMMEDIATE EFFORTS BE MADE FOR A CESSATION OF HOSTILITIES," who believe that "THE IMMEDIATE CESSATION OF HOSTILITIES" should begin with Southern traitors, and not with Northern patriots; who believe that we should first enforce the Rebel armies before we attempt "TO EXHAUST ALL THE RESOURCES OF STATESMANSHIP," who insist "THAT THE UNION MUST BE PRESERVED AT ALL HAZARDS," and are determined to preserve it whole and entire at any sacrifice and against all attacks, from whatever quarter; such are requested to meet at the COOPER INSTITUTE, in the city of New-York, on TUESDAY, the 1st day of NOVEMBER, 1864, to consider the proper course to be pursued in the present extremities of public affairs, and of preserving the honor and integrity of our Country.
