NEW WORK BY THE AUTHOR OF "MY FARM OF EDGEWOOD."

SCRIBNER, No. 124 Grand-st., New-York, will have ready, Dec. 17:

WET DAYS AT EDGEWOOD.

1 vol., 12mo., on Tinted Paper.....Price, $2.
Half Calf.....$3 50.

This work gives a brief survey of the whole subject of Agricultural and Rural Literature down to the present century, and abounds with pastoral gems from the Poets thrown in by way of interludes.

By genial and acute criticism and appropriate extracts, the reader is brought face to face with the older worthies of the Agricultural world—smiles at their quaint peculiarities and learns to appreciate the practical wisdom they display, though perchance in an uncouth garb.

The work is unique in our literature, and throws round a familiar subject a halo of scholarship and poetical feeling with a singularly attractive result.

No country resident should be without this resource for his "wet days," that the writer found so effectual in dispelling the tedium of a rainy season.

It forms a very natural complementary volume to the "Farm of Edgewood" by same author.

The New-York and Philadelphia Petroleum Company has been organized with the greatest care by experienced capitalists of the two cities, whose names are united in its own. It will be managed

EXCLUSIVELY FOR THE INTERESTS OF ITS STOCKHOLDERS.

No pains have been spared to place it on a genuine and substantial footing. Most valuable and extensive tracts of Oil and Coal land have been secured IN FEE, and leasehold PRODUCING INTERESTS in the heart of the Venango County (Pa.) Oil region. Attention is invited to the following schedule of the Company's property, including FEE SIMPLE TERRITORY, LEASEHOLDS, PRODUCING WELLS, and wells in various stages of completion:

No. 1.—39 acres of bottom land, in fee, on the Allegheny river, having a water-frontage of nearly one mile. New 10-horse power engine and fixtures. Two wells sunk to the depth of 300 feet and already filled with oil. Room for 40 more wells.

No. 2.—239 acres of rich oil land in fee, lying nearly opposite the above, having a mile of water-frontage on Prather and Bennett runs. Well supplied with timber.

No. 3.—Lease interest on the famous "Widow McClintock Farm," Oil Creek. One well down and testing; another just ready to tube; a third just started. Two first class engines. Tubing, tools, fixtures, team, wagons, &c.

No. 4.—Same interest in lease on the well-known "HAMILTON McCLINTOCK FARM," Oil Creek. One well now being tested; steady yielding 12 barrels daily, and rapidly increasing. Others going down. Two new engines, with fixtures complete.

No. 5.—1-12 of two leases on the CLAPP FARM, near the great Williams and Stanton 100 barrel wells. On this property is "Sherman Well, No. 2," now down 800 feet. Engine, &c., &c. Room for more wells.

No. 6.—1-16 of the fee in 57 ACRES OF COAL LAND, adjoining the Cranberry Coal Company's beds. This property is of the utmost value to our operations, supplying us with coal at all seasons, and when the works of other companies are found to be idle for want of fuel.
