REMARKABLE and BEAUTIFUL TOY for CHILDREN.

THE MAGIC WHEEL.

No. 1, Price $1 50.

From The Commercial Advertiser, Oct. 26.

Is one of the most interesting and amusing things of the kind ever invented. By looking through perforations in the rim of the MAGIC WHEEL, while it is revolving, very simple pictures on circular pieces of paste-board are made, by the aid of a mirror, to assume the shade of living and moving creatures, and to perform the most wonderful antics. The mode in which the illusion is produced would puzzle grown people, while children without inquiring into the whys and wherefores, are delighted with the performances of the Magic Wheel.

For sale by JOHN BRADBURN, 49 Walker-st.

UNIFORM WITH "MY FARM OF EDGEWOOD."

WET DAYS AT EDGEWOOD,

by the author of "Reveries of a Bachelor," &c. 1 vol. 12mo. On tinted paper price $2; or in beveled boards and red edges, $2 25; in half calf, $3 50.

"In 'Wet Days at Edgewood' we are introduced into the library of a cultivated farmer, and, whether scholars or not, we are made to commune with old authors, whose genius has woven the scenes of the farmfields into song, with a pleasure to which, perhaps, we were never before alive."—[Norwich Morning Bulletin.

"Its nine 'days' are filled with delicate thoughts, pleasant extracts, happy conceits, and a thousand dainty bits of old-time lore. In fact, Mr. H. is rapidly giving to the name of 'Edgewood' that half-familiar, half-reminiscent sound which clings to the names of Sunnyside and Abbotsford."—[Syracuse Journal.

NEW BOOK FOR BOYS.

THE LIFE BOAT.

"The incidents narrated happen partly on ocean and partly on the land, and beside three or four sailor characters, such as all boys like at first sight, there are at least four shipwrecks, and who that ever read 'Robinson Crusoe' does not like shipwrecks, particularly when all the best men on board are saved!" The subject and his materials have enabled the author to make what is rare in these days of a novel book of adventure."

ESTABLISHED IN 1829.

RAVEN & BACON, PIANO MANUFACTURERS, No. 135 GRAND-ST., near Broadway, New-York.

The Musical Profession having of late become quite prominent in connection with newspaper advertisements of four or five Piano manufacturers in this city, each arm claiming superiority for their instruments from the indorsement of the same distinguished Artists, we fear the innocent public, unacquainted with the tricks of the trade, may find themselves mystified as to where to select the best Piano for their Holiday gifts. We would state that as our Pianos have been favorably known in this market for nearly forty years, it has not been necessary for us to obtain the opinion of the Profession in regard to their quality, the instruments speaking for themselves. We are continually introducing improvements in our Pianos and they are up to the age in every particular.

Parties desiring Pianos will do well to examine our stock and prices before making their selections.

THE COMING DRAFT.

IMPORTANT NOTICE TO ALL WHO ARE ENROLLED AS LIABLE TO DRAFT.

The New-York County Committee on Volunteering have reason to believe that a further call is likely soon to be made by the President for men.

Hitherto, great complaint has been made that the quotas demanded of the County of New-York have been excessive.

As all quotas are based upon the Enrollment, it is evident that no relief can be expected except by a reduction of the enrollment to its proper standard.

Although appeals have hitherto been made to citizens to correct the Enrollment, there has been little or no disposition shown by the public to discharge its duty in this particular.

It is evident that this duty must be performed by the public authorities, or it will not be performed at all.

By consent of the War Department and the advice of the Governor, the New-York County Committee on Volunteering has determined to undertake the herculean labor of correcting the Enrollment of the County.

No means will be spared to make this correction thorough and satisfactory both to the people and the Government.

Our only object is to correct the Enrollment and place it at a proper standard, and every citizen owes it alike to himself and his neighbor to assist in this work.

In addition to other means which will be brought into requisition for the accomplishment of this object, a complete copy of the existing Enrollment of each Ward or Election District will be printed and furnished to every enrolled citizen of the Ward or Election District.

This will prevent the excuse which so many who are exempt have made, that they did not know they were enrolled, and hence did not attend to having their names taken from the roll.

It will also afford the opportunity for every man enrolled to see whether or not his neighbor is enrolled, and enable him to secure that those liable and not enrolled shall be put down.

Every person enrolled is requested to aid in the gigantic labor which we have undertaken, by complying with the following conditions:

I. Whenever a name appears of any person who is not enrolled but liable, notice of the fact should be given to the Provost-Marshal of the District, by any person who may be cognizant of the fact, in order that the same may be recorded.

II. Whenever a name appears of any person who has removed, notice of the fact should be given at the Provost-Marshal's office, that the name may be stricken from the roll of that District, and recorded where it properly belongs.

III. Whenever a name appears which is known to be fictitious, or any one is aware that the person indicated is not a resident as described, notice should be given at the Provost-Marshal's office, that the name may be stricken from the roll.

IV. Whenever cause of exemption exists for any reason, notice should be given to the Provost-Marshal of the District by the exempt person himself, that the name may be stricken from the roll.

The following are the recognized causes of exemption:

1. Over 45 years of age.
2. Under 20 years of age.
3. Being an alien, and never having voted.
4. Having furnished a Substitute in anticipation of the Draft.
5. Having been drafted and furnished a Substitute.
6. Having been drafted and paid commutation.
7. Having been drafted and received a certificate of permanent physical disability.
8. Being permanently physically disqualified.
9. Having served two years in the Army or Navy during the present War, and been honorably discharged.

In addition to this, so far as possible, every enrolled man will be waited upon personally by authorized agents, deputed to ascertain the liability of all enrolled men, to have those improperly enrolled taken off and to add those not on, but who should be enrolled.

As this is an effort to correct and not to increase the enrollment, it is to the interest of every person to give correct and true answers to any and all questions which may be put to them, and any person declining to answer or giving false answers render themselves liable to arrest and imprisonment.

This is probably the last attempt which will be made to secure a correct Enrollment of the County of New-York. To be successful the cooperation of every resident of this city and county is absolutely required.

The Government officials have evinced a disposition to afford us every facility to attain the object in view. It, therefore, through the indisposition and apathy of the public, who are most concerned, this effort to correct the Enrollment prove abortive, and further excessive quotas are demanded of us, because of the incorrectness of the Enrollment, the people of this City and County will be themselves responsible, and they will have none but themselves to blame.

Dated New-York, Dec. 1, 1864.
