ABRAHAM LINCOLN.

BY W. CULLEN BRYANT.

O slow to smite and swift to spare,
Gentle, and merciful and just,
Who in the fear of God didst bear
The sword of power, a nation's trust.

In sorrow by thy bier we stand,
Amid the sons that heshes all,
And speak the anguish of the land
That shock with horror at thy fall.

Thy task is done; the bond are free;
We bear thee to an honored grave,
Whose noblest monument shall be
The broken fetters of the slave.

Pure was thy life; its bloody close
Hath placed thee with the sons of light
Among the noble host of those
Who perished in the cause of right.

TENNESSEE LEGISLATURE.

FOURTH WEEK.

SENATE.

SATURDAY, April 29, 1865.

Senate met at 9½ o'clock. Speaker Rogers in the chair. Prayer by Rev. Mr. Huntington.

The journal of yesterday was read and adopted.

The committee on enrolled bills reported on Bill No 39, and Resolutions Nos 39 and 40, and find them correctly enrolled.

The following resolution was offered by Mr. Butler:

WHEREAS, Treason is the highest crime known to the laws of the land, and no one is presumed to understand the true meaning of the term betterthan Governors of States, and certainly no one should be held to a more strict account for their treason; and

WHEREAS, the State of Tennessee before the rebellion enjoyed a high social, moral and political position, and had the well-earned reputation of the volunteer State, and

WHEREAS, By the treason of Isham G. Harris, ex-Governor of Tennessee, the State has lost millions of dollars, and thousands of the State have been killed in battle and died of disease, and thousands of the middle aged and old men have been murdered and imprisoned, and destitute women and children driven from the State heart-broken and penniless; and, whereas, the voters of Tennessee did in the month of February, 1861, by a majority of 69,000, repudiate treason and rebellion, but the aforesaid Isham G. Harris, well knowing the true sentiments of the State upon treason and rebellion, and wholly disregarding the overwhelming expression of popular sentiment, did use his position as Governor aforesaid to put the State in rebellion and hostility to the Government of the United States, and is guilty of treason, perjury and theft, and is responsible to a great extent for the misery and death of thousands of the citizens of the State, and for the devastation of the same. From east to west, and from North to South, the cries of the wounded and dying, the wail of the widow, the weeping of the orphan, comes to us upon every breeze imploring us to punish the insignators of the rebellion. Therefore, for the reasons aforesaid,

Be it Resolved by the General Assembly of the State of Tennessee, That the Governor of this State is hereby authorized and entrusted to offer a reward of five thousand dollars for the apprehension and delivery to the civil authorities of the State, the aforesaid Isham G. Harris. He shall fully describe said fugitive from justice, and shall make publication for three months or longer, if he may think proper, in one newspaper in each of the three grand divisions of the State, and in a paper published in Richmond, Va., Raleigh, N. C., Savannah, Ga., Little Rock, Ark., New Orleans, La., and shall publish the preamble with his proclamation.

Mr. Trimble made a motion that the resolution be referred to a special committee of five, which motion was lost, whereupon a vote was taken upon the suspension of the rules and the adoption of the resolution, which was carried and ordered to be transmitted to the House.

A message was received from the House, informing the Senate of the passage by that body, of House bill Nos. 18, 30, and 39 and asking the concurrence of the Senate in same.

Speaker Rogers read a communication from Senator Wisener, of Bedford, tendering the resignation of his seat in the Senate, to take effect on the first of May. Mr. Rogers paid a compliment to the gentleman, and expressed regret at parting with him.

Mr. Senter offered the following resolution (No. 42):

Whereas, It is the desire of this body to adjourn at as early a day as possible; and whereas, it is the sense of this body that it pass no bills or resolutions but such as are urgently demanded by the present necessities of our constituents—therefore,

Be it Resolved, That no bill or resolution, containing new subject matter, shall be introduced after the 8th day of May next.

Lays over under the rules.

House bill No. 18: In regard to the real estate of the State and of the Bank of Tennessee. This bill vests the Comptroller with authority to take charge of all the real property of the State, and to rent or lease the same for a period not exceeding two years, and also directs him to take charge of the real estate of the Bank of Tennessee, or any one of its branches, and to rent or lease the same for a period not exceeding two years, from January 1st, 1866, and he is also vested with power to collect the rents for the real property of the Bank of Tennessee, and any back rents due or owing for the use of any such property, &c. Passed first reading.

House bill No. 30. To legalize the ministerial acts of certain officers. Passed first reading.

House Bill No. 39—To change the times of holding the County Court of Knox county for the trial of misdemeanors. Passed first reading.

Senate Bill No. 45, To authorize the registration of deeds, and for other purposes. Referred to the Judiciary Committee.

The Senate then took a recess to meet the House in convention, to elect Registers for the four divisions of the State.

On the return of the Senators to their Chamber, a motion was made and carried that the Senate stand adjourned until half past nine o'clock, Monday morning.

HOUSE OF REPRESENTATIVES.

APRIL 29, 1865.

The House met at 9 o'clock. Prayer by Rev. Mr. Huntington.

Gen. A. C. Gillem appeared, took the oath, and was placed by the Speaker on the Military Committee, and the Committee of Ways and Means.

BILLS.

Mr. Steele from Committee on Freedmen, reported House Bill No. 47, with amendments, with the recomendation that it pass. It relates to negro marriages. Laid over and ordered to be printed.

By the same, House Bill, No. 32, with recommendation that it be rejected Bill No. 47 covering the same subject. The Bill was withdrawn by Mr. Waters of Wilson, who introduced it.

By Mr. Stegald: to amend the road laws, declares who shall be liable to work on State roads. Passed first reading and referred to Judiciary Committee.

By Mr. Thornburg: To disfranchise traitors, rebels, conspirators, and their abettors and adherents for the next five years, or until this act be repealed. Passed first reading and referred to Judiciary Committee.

By Mr Ryder: To incorporate the Cario and New Orleans Pilot's Association. Passed first reading and referred to Corporation Committee.

By Mr. Garner: To repeal article 3, of chapter 5, of the Code. Passed first reading.

Senate bill 17: Incorporating the Memphis Atheneum Club. Passed second reading and referred to the Judiciary Committee.

Senate bill No. 19: Regulating appointments of Notaries Public. Passed second reading and referred to the Judiciary Committee.

Senate bill No. 20: To pay J. G. Frazer $200 for service done. Passed second reading.

House bill No. 29, To suppress guerilla bands, by means of a county patrole. Passed second reading, and referred to Military Committee.

RESOLUTIONS.

By Mr. Thornburg, A resolution, asking the President to pardon such prisoners of war as are ready to take the oath, have lain in prison rather than be exchanged to fight again with the rebels. Laid over.

By the same, To go into elections, in joint session, on Tuesday next, at 11 o'clock, for a State Librarian, and a Public Printer. Adopted.

Senate resolution declaring the late election for State Comptroller, when Mr Dillin was elected, void. Concurred in.

Senate resolution, No. 40, To meet on Tuesday next, at 11 o'clock, to elect a State Comptroller.

Mr Dillin moved to lay on the table. Mr Hood supported the motion. Mr Cooper favored agreeing with the Senate resolution. Mr Dillon's motion was lost. Ayes 13, noes 46. The Senate resolution was concurred in.

Senate objections to House amendments to resolution No 39, were taken under consideration. The resolution calls on the President to protect Tennessee from domestic violence and invasion.

Mr Hood said the difference between the Senate and the House is, the Senate wants the Governor to have command of the troops called for, the House wishes the command to be in the President. He moved that the House adhere to its amendment, and that a committee of conference be appointed on the subject.

Mr Anderson favored the Senate's resolution. It was unlikely that Gen. Thomas would remain here, the rebellion being ended, to take command of three thousand troops. He thought Mr. Hood was calling in question the Governor's competency. Mr Hood replied that his remarks referred to military competency alone.

Col. Minnis moved to lay Mr. Hood's motion upon the table, which was lost.

Mr Cooper favored a conference.

Mr Hood's motion was adopted, and Mr Hood, Mr Mullins, and Mr Lewis appointed the committee of conference on the part of the House. Referred to the committee on claims.

ELECTION OF LAND REGISTERS.

At 11 o'clock the Senators entered, and the joint body went into election of Land Registers for each of the four districts of the State, Eastern, Western, Middle and Mountain districts.

For the Eastern district Capt Thos. McNish, of Knox county, was nominated. There was no opposing candidate, and Mr. McNish was elected for the next four years, Nays 79, noes 0.

The election of a Register for the Mountain district was next proceeded with, the only nomination made was that of Jno. S. Vass of White county by Representative Faulkner.

Questions were asked as to Mr. Vass' loyalty, which was vouched for by Mr. Faulkner and Senator Bosson, who, however, said that he had taken no decided position.

After the vote had been taken, and before it was announced, a motion was made and adopted to take the vote over again, and Senator Keith nominated Geo. S. Kington of Fentress County.

The vote stood: Vass 11; Kington 67. Mr. Kington was declared elected for four years.

For the Middle Tennessee District, Mr. Cooper nominated Alex. F. Binkley of Cheatham County. No other nomination was made, and Mr. Binkley was declared elected for four years—Ayes 79, noes 0.

For the Western District: Mr. Stegald nominated Calvin Roberts, of Decatur county. No other nomination was made, and Mr. Roberts was declared elected for four years. Ayes 80, noes 0.

The Senators retired, when leaves of absence were granted, and the House adjourned until Monday.

Auction Sale

Of Building Lots in the City of

Johnsonville.

On THURSDAY, FRIDAY and SATURDAY, May 11th, 12th and 13th, we will offer for sale on the premises, a large number of Building Lots in the thriving and promising

Town of Johnsonville,

a published plan of which can be seen at our office, and at the principal Hotels, and other public places, in this city. Being slightly located on the East bank of the Tennessee river, 137 miles from its mouth, and at the terminus of the Nashville and Northwestern Railroad, a distance of 71 miles from this City; surrounded, as it is, by a rich and productive country, and being in almost constant river communication with many of the most important commercial cities of the North and Southwest, must, at no distant day, become a city of vast business importance. Such an opportunity for a safe and profitable investment, is but seldom offered. We are the sole agents for the sale of lots, and are fully authorized and empowered to grant titles to purchasers.

The Nashville and North-Western Railroad will be thoroughly repaired in the course of a few days, when regular trips will be made between this city and Johnsonville. A liberal trade permit has been granted.

We will also offer at the same time about 300 acres of rich and heavily timbered land, lying in the immediate vicinity of the town.
