SAVON DE TERRE.

NOTICE.

Subscribers to the capital stock of the SAVON DE TERRE COMPANY are hereby notified that certificates of Stock are now ready for issue and particular request is made that they be called for without delay.

Only a few shares remain unsold. The attention of capitalists and others desiring to invest is directed to the fact that no stock in the market has the same certainty of yielding large returns. The demand for the article, the necessity for its use, and the cheapness with which it can be produced, establish its great value.

The nature of SAVON DE TERRE as a substitute for Fullers Earth in the manufacture of Woolens, and as an ingredient in the manufacture of soap, cheapening greatly both processes, has been already made known in previous advertisements.
