NEW-YORK SEMI-WEEKLY TRIBUNE. THE NEW-YORK SEMI-WEEKLY TRIBUNE is published every TUESDAY and FRIDAY, and contains all the Editorial articles, not merely local in character; Literary Reviews and Art Criticisms; Letters from our large corps of war correspondents; Foreign and Domestic Letters; Special and Associated Press Telegraphic Dispatches; a careful and complete summary of Foreign and Domestic News; Exclusive Reports of the Proceedings of the Farmers' Club of the American Institute; Talks about Fruit, and other Horticultural and Agricultural Topics; Market, Financial, Cattle, Dry Goods and General Market Reports, which are published in THE DAILY TRIBUNE. It frequently contains articles which the great pressure of advertisements will not permit us to put in the Daily Edition. THE SEMI-WEEKLY TRIBUNE also gives, in the course of a year, THREE or FOUR of the
BEST AND LATEST POPULAR NOVELS
by living authors. The cost of these alone, if bought in book-form, would be from six to eight dollars. If purchased in the ENGLISH MAGAZINES from which they are carefully selected, the cost would be three or four times that sum. Nowhere else can so much current intelligence and permanent literary matter be had at so cheap a rate as in THE SEMI-WEEKLY TRIBUNE. Those who believe in the principles and approve of the character of THE TRIBUNE can increase its power and influence by joining with their neighbors in forming clubs to subscribe for THE SEMI-WEEKLY Edition. It will in that way be supplied to them at the lowest price for which such a paper can be printed. Persons residing in the city can find no more valuable journal to send to their country friends.

It was a beautiful affair, witnessed by thousands, many of whom are of the opinion that the cadets are under better discipline, and in the military exercise, far superior to the celebrated Chicago Zouaves who visited our city some years ago."—[Albany Express.
