FACING HIS DOOM AGAIN.

Charles Giblin for the Third Time Placed Under the Death Watch.

For the third time since he has been sentenced to death for the murder of Madeline Goelz, Charles Giblin is under the death watch and occupies the murderer's cage in the Tombs.

At 8 o'clock this morning Deputy Warden Finley removed Giblin from his cell on the ground tier, and handed him over to Under-Sheriff Sexton, who will have men watching him night and day from now until the 23d inst.

On that day Giblin will be hanged in the Tombs court-yard unless Gov. Hill should decide in the mean time to pardon him or commute his sentence.

Giblin is very hopeful of the latter, at least, and would not be surprised if the Governor pardoned him outright. He has always maintained that he was innocent of any intention or desire to kill the woman Goelz, and has persistently claimed that he only fired the shot which killed her in self-defense, when he was attacked by her husband, brother and several other male members of the family.

Giblin has gained many powerful friends since his incarceration in the Tombs, and they are striving faithfully to save his life.

Howe & Hummel have presented the case to the Governor, and feel confident of favorable action by him in their client's behalf.

The condemned man's wife visits him every day.

Deputy-Sheriffs Wild and Fitzgerald comprise the death watch to-day.

Giblin this morning tipped the scales at 155 pounds. He has gained flesh since his imprisonment.

RUSH FOR BANQUET TICKETS.

Nearly a Thousand Applicants for the Chamber of Commerce Dinner.

Nearly a thousand applications for 230 tickets for the Chamber of Commerce dinner, which takes place at Delmonico's next Tuesday evening, have been received by Secretary George Wilson. The hall will only accommodate 230 guests, so that many applications must be refused.

TRIBUTE TO WILLIAM HORAN.

Labor Organizations to Hold a Memorial Meeting in His Honor.

A committee of Knights of Labor and union men, appointed to arrange for a memorial mass-meeting in honor of the late William A. Horan, has issued a circular to all labor organizations in this city and its vicinity, in which Horan is eulogized for his untiring devotion to the principles of organized labor, and a rebuke is administered "to the slanderers who have not shrunk from vilifying him in his grave."

The Committee is composed of Hugh Greenan, T. J. Ford, J. J. Beallin, Theodore Cuno, J. J. Doyle, J. F. Kelley and Patrick Rock.

A meeting is called for Sunday evening at 98 Forsyth street, to make arrangements for the memorial meeting. The funeral will take place to-morrow at 1 o'clock from 98 Forsyth street.

J. BIEBER & BRO.,

Importers of Japanese and Chinese Goods,

667 Broadway, Opp. Bond St., N. Y.

We take great pleasure in informing the public of the return of our Mr. Bieber from his extensive tour through Japan, where he has selected a most magnificent stock of Japanese Ware, consisting of ancient and modern Porcelains, Bronzes, Cloisonnes, Screens, Portieres, Embroideries, &c. We wish to call special attention to the fact that this stock has been selected with a view to selling to the Jobbing Trade only, but unfortunately the arrival of the greatest portion of the goods had been delayed owing to the transportation by way of England, where the recent strike held away for many months. The principal Jobbers having already supplied themselves for the Holiday Trade, we now, with our tremendous stock on hand (which we are determined not to carry over for next season), have concluded to offer the same at Retail for the Holiday Season, to insure the rapid disposal of our entire Stock in a very short space of time, and to give the public an idea of the Bargains we will quote a few figures:

1,000 Elegant Painted Screens, 4-fold, 5 1-2 feet high, each fold having a different color and design,	at $2.25
1,000 Elegant Gold-Embroidered Screens, 4-fold, 5 1-2 feet high (actual value $18.00),	7.90
1,000 Bamboo Portieres in hand. some designs,	1.74
50,000 Water Drop Teapots,	12, 15, 20 cents

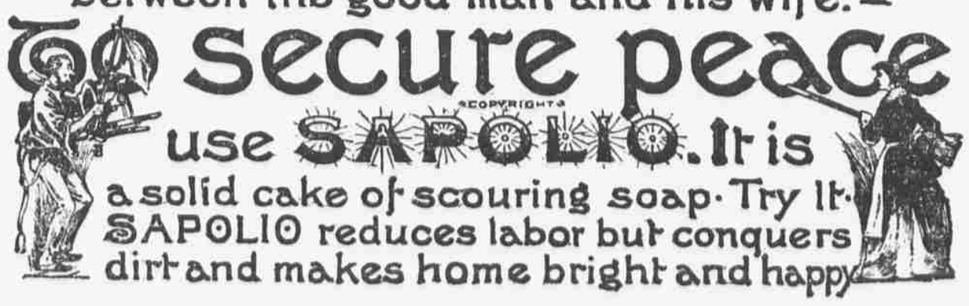
—"A dirty house creates a strife, between the good man and his wife."—

To secure peace



use SAPOLIO. It is a solid cake of scouring soap. Try it. SAPOLIO reduces labor but conquers dirt and makes home bright and happy.

A complete wreck of domestic happiness has often resulted from badly washed dishes, from an unclean kitchen, or from trifles which seemed light as air. But by these things a man often judges of his wife's devotion to her family, and charges her with general neglect when he finds her careless in these particulars. Many a home owes a large part of its thrifty neatness and its consequent happiness to SAPOLIO.
