COMMISSIONER DEVOE OUT.

Resigned from the Board of Education After Ten Years' Service.

Mayor Grant, to-day received a letter from Frederick W. Devoe resigning his position as Commissioner of Public Schools.

Mr. Devoe, was appointed last Fall, for his fourth successive term, which would have expired Jan. 1, 1894.

He was Chairman of the Committee on Buildings, and a member of the Committees on Finance, Sites, and New Schools; Chairman of the Executive Committee on Nautical School, and a member of the Executive Committee of the College of the City of New York.

His resignation is a protest against the reactionary spirit of the Board of Education which was manifested in the meeting of March 18 when the Board sat upon a bill for the appointment by the Mayor of a commission of five citizens to prepare a revision of the school laws relating to the schools of New York City.

Park Board Met at the Ship.

There was no meeting of the Park Board to-day. Commissioner Paul Dana started for Europe to-day on the Elbe and his colleagues of the Board saw him off.
